Parnassus On Wheels The Art Of The Novella:

Parnassus on Wheels Christopher Morley, 2012-11-06 I imagined him in his beloved Brooklyn strolling in Prospect Park and preaching to chance comers about his gospel of good books When you sell a man a book says Roger Mifflin the sprite like book peddler at the center of this classic novella you don't sell him just twelve ounces of paper and ink and glue you sell him a whole new life In this beguiling but little known prequel to Christopher Morley's beloved Haunted Bookshop the whole new life that the traveling bookman delivers to Helen McGill the narrator of Parnassus on Wheels provides the romantic comedy that drives this charming love letter to a life in books The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time **The Touchstone** Edith Wharton, 2012-11-06 Glennard had never thought himself a hero but he had been certain that he was incapable of baseness The story of a young man who scorns the love of a tortured novelist only to have her words come back to haunt him from the dead The Touchstone shows off the skills Wharton became famous for in novels such as Ethan Frome and House of Mirth particularly her piercing and delicious talent for satiric observation But despite its masterly control this startlingly modern tale is also a simmering rebel cri de coeur unleashed by a writer who was herself unappreciated in her own time The combination of these attributes make this edgy novella a moving and suspenseful homage to the power of literature itself The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time **Jacob's Room** Virginia Woolf, 2012-11-06 He left everything just as it was Did he think he would come back Jacob's Room was the first book in Virginia Woolf's unique experimental style making it an important text of early Modernism Ostensibly the story is about the life of Jacob Flanders the title character who is evoked purely by other characters' perceptions and memories of him Jacob remains an absence throughout Elegiac in tone the work beautifully memorializes the longing and pain of a generation that lost so many of its most promising young men to World War I Upon its release E M Forster remarked amazing a new type of fiction has swum into view The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time **The Girl with the Golden Eyes** Honoré De Balzac, 2011-06-21 When the night came he went to the meeting place and quietly let himself be blindfolded Raw as Honoré de Balzac is famed to be this daring novella never before published

as a stand alone book is perhaps the most outlandish thing he ever wrote While still concerned with the depiction of the underside of Parisian life as is most of Balzac s oeuvre *The Girl with the Golden Eyes* considers not the working lives of the poor but the sex lives of the upper crust In a nearly baroque rendering with erotically charged details as well as lush and extravagant language *The Girl with the Golden Eyes* tells the story of a rich and ruthless young man in nineteenth century Paris caught up in an amorous entanglement with a mysterious beauty His control slipping incest homosexuality sexual slavery and violence combine in what was then and still remains a shocking and taboo breaking work *The Art of The Novella Series* Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the *Art Of The Novella* series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

Oroonoko Aphra Behn, 2014-08-12 The bestselling story by a legendary female writer a tale of love slavery and rebellion When Prince Oroonoko s passion for the virtuous Imoinda arouses the jealousy of his grandfather the lovers are cast into slavery and transported from Africa to the colony of Surinam Oroonoko s noble bearing soon wins the respect of his English captors but his struggle for freedom brings about his destruction One of the most influential English novels in history Aphra Behn s *Oroonoko* was the first book to express sympathy for African slaves Based partly on Behn s childhood in Suriname *Oroonoko* depicts the love of Prince Oroonoko the grandson of an African king for Imoinda the daughter of the king s top general She refuses to leave Oroonoko to become the king s wife and dies in his arms Renowned for the respect and tenderness Behn gave each of her characters this is the best remembered work by the author **The Death of Ivan Ilych**

Leo Tolstoy, 2008-04-01 There is no explanation Written eight years after the publication of *Anna Karenina* a time during which despite the global success of his novels Leo Tolstoy renounced fiction in favor of religious and philosophical tracts *The Death of Ivan Ilych* represents perhaps the most keenly realized melding of Tolstoy s spirituality with his artistic skills Here in a vibrant new translation the tale of a judge who slowly comes to understand that his illness is fatal was inspired by Tolstoy s observation at his local train station of hundreds of shackled prisoners being sent off to Siberia many for petty crimes When he learned that the sentencing judge had died Tolstoy was roused to consider the judge s thoughts during his final days a study on the acceptance of mortality only deepened by the death during its writing of one of Tolstoy s own young children The final result is a magisterial story both chilling and beguiling in the fullness of its empathy its quotidian detail and the beauty of its prose and is as many have claimed it to be one of the most moving novellas ever written The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time **The Nose** Nikolai Vasil'evich Gogol', 2014 Collegiate Assessor Kovalyov awakens to discover that his nose is missing leaving a smooth flat patch of skin in its place He finds and confronts his nose in the Kazan Cathedral

but from its clothing it is apparent that the nose has acquired a higher rank in the civil service than he and refuses to return to his face

The Devil Leo Tolstoy,2012-11-06 I am acting badly thought Yevgeny But what s one to do Anyhow it is not for long Leo Tolstoy is known for epic novels that brilliantly dissect society but the novella The Devil may be the most personally revealing and startling fiction he ever wrote He thought it so scandalous in fact that he hid the manuscript in the upholstery of a chair in his office so his wife wouldn t find it and he would never allow it to be published in his lifetime Perhaps that s because the gripping tale of an aristocratic landowner slowly overcome with unrelenting sexual desire for one of the peasants on his estate was strikingly similar to an affair Tolstoy himself had Regardless the tale presented here with the two separate endings Tolstoy couldn t decide between is a scintillating study of sexual attraction and human obsession

The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

Benito Cereno Herman Melville,2011-06-14 What has cast such a shadow upon you The Negro With its intense mix of mystery adventure and a surprise ending Benito Cereno at first seems merely a provocative example from the genre Herman Melville created with his early best selling novels of the sea However most Melville scholars consider it his most sophisticated work and many such as novelist Ralph Ellison have hailed it as the most piercing look at slavery in all of American literature Based on a real life incident the character names remain unchanged Benito Cereno tells what happens when an American merchant ship comes upon a mysterious Spanish ship where the nearly all black crew and their white captain are starving and yet hostile to offers of help Melville s most focused political work it is rife with allusions a ship named after Santo Domingo site of the slave revolt led by Toussaint L Ouverture analogies does the good hearted yet obtuse American captain refer to the American character itself and mirroring images that deepen our reflections on human oppression and its resultant depravities It is in short a multi layered masterpiece that rewards repeated readings and deepens our appreciation of Melville s genius

Lucinella Lore Segal,2012-11-06 Intelligence turns me on Lore Segal s tour de force look at the New York literary scene was a hit when it was first released in the 1970s winning the praise of the literary elite John Gardner called it magical William Gass said it was witty elegant beautiful Stanley Elkin called it a shamelessly wonderful novel so flawless one feels civilized reading it It s been

a cult classic ever since and appears here in its full original text as fresh as ever the story of the whimsical New York poet Lucinella and her adventures among the literati It starts at Yaddo writers colony where life is idyllic meals are served to you in your rooms and cocktails are ready at day s end and still the writers complain and compete Then it moves back to New York City where the pampered once again face reality and wonder Will a different husband or the right publisher or the perfect filing system put life in order Lucinella and her circle feel lacking and keep looking busily going to parties and watching one another s lives closely for signs of happiness love and despair Segal depicts it all with a perfect blend of love and malice And at the center is Lucinella herself so full of humanity and frailty that these divertissements do her to death Here as Cynthia Ozick says is the enchanted microcosm the laughter of mortality The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kert sz it showcases work never before published in others books are reprised that should never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series The Art of the Novella each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners

The Abbess of Castro

Stendhal, 2014-08-12. Brigands, convents, under siege, a prince who'd do Machiavelli proud. This adventurous novella from a writer famous for far longer works is a singular take on love and war in Renaissance Italy. Claiming to be translating from sixteenth-century manuscripts, Stendhal tells the story of two doomed young lovers: one, the daughter of the wealthiest man in the district; the other, a brigand. It's a genuinely moving tale of impossible love with plenty of swordfights thrown in that's unique in Stendhal's oeuvre, not least in its portrait of an intelligent woman who, ill-starred in love, turns to worldly power. There's also some sparkling analysis of the conditions that produced the great art of the Renaissance. But *The Abbess of Castro*, first published in the same year as Stendhal's novel *The Charterhouse of Parma*, is also characterized by themes that pervade his longer novels: political and familial machinations, a profoundly unsentimental view of war, ambitious individuals undone by passion. Never before available as a standalone edition, the novella is a powerful dose of the writer at the peak of his skills.

The Enchanted Wanderer, Nikolai Semenovich Leskov, 2012. A new translation of the hilarious picaresque about a man with an indomitable spirit. *The Enchanted Wanderer* is a Russian *Candide* with a revolutionary edge, a picaresque that features a fast-talking monk named Ivan who is at war with every level of society. Working as a carriage man for a Count, Ivan accidentally causes the death of a monk, which leads to his being ostracized by the local peasantry until the dead monk returns as a ghost to guide him through trouble upon trouble.
