Parochial And Plain Sermons Parochial And Plain Sermons:

Parochial and Plain Sermons John Henry Newman, 1879 Library has vol 1 6 8 **Parochial and Plain Sermons** John Henry Newman, 2023-12-23 Reprint of the original first published in 1875 **Parochial & Plain Sermons** John Henry Newman, 1877 **Parochial and Plain Sermons** John Henry Newman, 2025-03-28 Delve into the profound spiritual insights of John Henry Newman with Parochial and Plain Sermons Vol 7 of 8 This carefully reproduced collection presents a selection of Newman's impactful 19th century sermons offering timeless reflections on faith and Christian living A prominent figure in religious thought Newman's sermons resonate with clarity and depth exploring fundamental tenets of Christianity through a Catholic lens His eloquent prose and insightful interpretations provide guidance and contemplation for those seeking a deeper understanding of their faith This volume offers a window into the religious landscape of the 19th century while the themes explored remain relevant and thought provoking today Explore the enduring power of Newman's words in this essential addition to religious literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Parochial and Plain Sermons** Saint John Henry Newman, 1868 **Realizations** John Henry Newman, 2009 What is the secret of John Henry Newman's enduring appeal It perhaps lies in the freshness persuasiveness and brilliance of his descriptions of Christianity Newman who is to be beatified by Pope Benedict XVI later this year often uses the word realization rather than faith or belief to describe the process of becoming a Christian To him a realization is a moment when one opens one's heart to a truth He continues to enthrall us because through him we come to recognize Christianity not as a languid assent to a series of propositions but as a vivid encounter with concrete realities This collection of his sermons the ones Newman himself felt were his best is the ideal introduction to one of the greatest writers in the Christian tradition If there is one comprehensive thing that can be said about Newman's writings it is that he has a voice it is his own and no one else's To me at least it is a voice that never fails to start up radioactive from the page however musty the physical book From the foreword by Muriel Spark Vincent Ferrer Blehl SJ 1921 2001 was the Postulator of the cause of Newman's canonization and the author of several books and articles about Newman's life and work The novelist Muriel Spark 1918 2006 said that it was by way of Newman that I turned Roman Catholic She later remarked that it wasn't until I became a Roman Catholic that I was able to see human existence as a whole as a novelist needs to do **Parochial and Plain Sermons** John Henry Newman, 2018-11-28 THE Sermons here republished were written and preached at various periods between the years 1825 and 1843 The first six volumes are

reprinted from the six volumes of Parochial Sermons the seventh and eighth formed the fifth volume of Plain Sermons by Contributors to the Tracts for the Times which was the contribution of its Author to that Series All the Sermons are reprinted from the last Editions of the several volumes published from time to time by the Messrs Rivington They made in their day partly through their publication but yet more probably through their living effect upon those who heard them a deep and lasting impression for good on the Communion for whose especial benefit they were designed they exercised an extensive influence very far beyond it and their republication will awaken in many minds vivid and grateful recollections of their first appearance They met at that time very real and great moral intellectual and spiritual needs of man in giving depth and precision and largeness to his belief and apprehension of the mysteries of God and seriousness and accuracy to his study and knowledge of himself of his own nature with its manifold powers capacities and responsibilities and of his whole relation to the supernatural and unseen They found a response in the hearts and minds and consciences of those to whom they were addressed in marvellous proportion to the affectionate and stirring earnestness with which their Author appealed to the conscious or dormant sense of their needs and his zealous and energetic endeavours under God s blessing to show in every variety of light how the grand central Verities of the Christian Dispensation entrusted as the good Deposit to the Church were revealed and adapted to supply them Many things indeed contained in these volumes have become from the very readiness of their first acceptance and from their gradual reception into the current of religious thought so familiar that it requires some retrospect of the time previous to their appearance to appreciate the original freshness with which they brought out the fundamental Articles of the Christian Faith and their bearing on the formation of the Christian character and to understand the degree in which they have acted like leaven on the mind and language and literature of the Church in this Country and have marked an era in her History But besides their relation to the past it will be seen in their republication how the spirit which dictated them pierced here and there through the cloud which hung over the future and how the Author warned us with somewhat of prophetic forecast of impending trials and conflicts and of perplexities and dangers then only dimly seen or unheeded of which it has been reserved to the present generation to witness the nearer approach It might seem to have been his calling at once to warn us of them and to provide as best he might words of guidance and support and consolation and encouragement under them an anchor of the soul in the coming storm They are republished in the fervent hope and belief that like good to that which by God s blessing they have done before they may by His mercy if we be not unworthy of it do yet again under other circumstances To many of this generation they will appear in much of their original freshness and to all with the greater power and reality from the saddening aspect of the times and the appalling prospects before us replete as they are with those many secrets of religion which are not perceived till they be felt and are not felt but in the day of great calamity CrossReach Publicatins Parochial and Plain Sermons John Henry Newman, William John Copeland, 2018-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge
