Andrews, 2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come about And then have dozens of Bible difficulties answered as examples Herein is the defense of God's Word that Christians have been waiting for BIBLE DIFFICULTIES Genesis Edward D. Andrews, 2016-09-02 Encyclopedia of Bible Difficulties Gleason Leonard Archer, 1986 Jesus on Trial David Limbaugh, 2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition The Greatness of God Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose

college is one of the most pivotal times in a young person's life. The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses. Dean Hardy takes readers on a spiritual and intellectual journey addressing such issues as the nature of truth and reality, the investigation of other worldviews, the evidence for Christianity, critics' arguments against Christianity, and the relationship between apologetics and evangelism.

**Divine Frustrations** Jason L. Moore, 2023-11-21 The Bible encourages believers to love God with all their hearts. Interestingly enough, there is no command to like God. Is the admonition to like God conspicuously absent due to its inherent difficulty? If we are honest, we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God. However, there is a lack of awareness regarding alternative ways to understand such realities. *Divine Frustrations* is an attempt to bridge that gap by providing a balanced, engaging approach to revisiting the unpleasant aspects of God's dealings with humanity. Drawing on decades of interactions with students, atheists, critics, inmates, and church members, as well as people from all walks of life, Moore offers reflections on both sides of the most common complaints leveled against God. Whether you are a believer or a skeptic, your approach to various topics will be challenged. If you are open to considering alternatives to what you believe, as well as new insights into your own views, read on.
