AN Whitehead

New Men In The Roman Senate 139 Bc Ad 14:

New Men in the Roman Senate, 139 B.C. - A.D. 14 Timothy Peter Wiseman, 1971 **T.P. Wiseman, New men in the Roman senate** Emilio Gabba, 1973 Literary and Artistic Patronage in Ancient Rome Barbara K. Gold, 2014-01-30

Virgil Horace Catullus Propertius these are just a few of the poets whose work we would be without today were it not for the wealthy and powerful patrons upon whose support the Roman cultural establishment so greatly depended Who were these patrons What benefits did they give to whom and why What effect did the support of such men as Maecenas and Pompey have on the lives and work of those who looked to them for aid These questions and others are addressed in this volume which explores all the important aspects of patronage a topic crucial to the study of literature and art from Homer to the present day The subject is approached from various vantage points literary artistic historical The essayists reach conclusions that dispel the many misconceptions about Roman patronage derived from seventeenth and eighteenth century models in England and Europe An understanding of the workings of patronage is indispensable in helping us see how the Roman cultural establishment functioned in the four centuries of its flourishing and also in helping us read and enjoy specific poems and works of art A book for all concerned with classical literature art and social history

Literary and Artistic Patronage in Ancient Rome not only deepens our understanding of the ancient world but also suggests important avenues for future exploration *The Politics of Immorality in Ancient Rome* Catharine Edwards, 2002-05-09 The decadence and depravity of the ancient Romans are a commonplace of serious history popular novels and spectacular films This book is concerned not with the question of how immoral the ancient Romans were but why the literature they produced is so preoccupied with immorality The modern image of immoral Rome derives from ancient accounts which are largely critical rather than celebratory Upper class Romans habitually accused one another of the most lurid sexual and sumptuary improprieties Historians and moralists lamented the vices of their contemporaries and mourned for the virtues of a vanished age Far from being empty commonplaces these assertions constituted a powerful discourse through which Romans negotiated conflicts and tensions in their social and political order This study proceeds by a detailed examination of a wide range of ancient texts all of which are translated exploring the dynamics of their rhetoric as well as the ends to which they were deployed Roman moralising discourse the author suggests may be seen as especially concerned with the articulation of anxieties about gender social status and political power Individual chapters focus on adultery effeminacy the immorality of the Roman theatre luxurious buildings and the dangers of pleasure This book should appeal to students and scholars of classical literature and ancient history It will also attract anthropologists and social and cultural historians **All Things Julius Caesar** Michael Lovano, 2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman

Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar s World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar s time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences

Ancient Rome Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used Ancient Greece this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic Ancient Rome includes source material on political developments in the Roman Republic 509 44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook invaluable at all levels of study

Augustus Jochen Bleicken, 2015-10-15 The great modern biography of Augustus founder of the Roman Empire Born to a plebeian family in 63 BC Octavian was a young soldier training abroad when he heard news of Julius Caesar s brutal assassination and discovered that he was the dictator s sole political heir With the opportunism and instinct for propaganda that were to characterize his rule Octavian rallied huge financial military and political backing to eliminate his opponents end the bloody turmoil that had so long wracked Rome and finally take autocratic control of a state devoted to republicanism He became Augustus Rome s first Emperor and the founder of the greatest empire the world had ever seen In this monumental biography translated into English for the first time by Anthea Bell Jochen Bleicken tells the story of a man who found himself a demi god in his own lifetime and paints a portrait of one of the most dramatic periods of Roman history

Marius Federico Santangelo, 2015-12-17 Gaius Marius 158 157 86 BC has a major transformational impact on the history of the late Roman Republic Although none of his ancestors had been a member of the Senate he managed to

reach the consulship on seven occasions and was responsible for a series of major military victories notably against King Jugurtha in North Africa and the Teutons and the Cimbrians in Southern Gaul and Northern Italy Much of his internal political agenda however was highly controversial His reform of the army recruitment system was regarded by some perhaps with undue emphasis as a crucial factor in the downfall of the Roman Republic The final years of his life witnessed his exile his return to Rome at the head of an armed force and his comeback to power shortly followed by his sudden death This volume provides an account of the life and career of Gaius Marius sets his achievements and failures within the wider context of the decline of the Roman Republic and discusses his political legacy in the following decades It also provides an assessment of the main modern interpretations of the man and his policies

Politeness and Politics in Cicero's Letters Jon Hall, 2009-05-06 Politeness and Politics in Cicero's Letters presents a fresh examination of the letters exchanged between Cicero and correspondents such as Pompey Julius Caesar and Mark Antony during the final turbulent decades of the Roman Republic Drawing upon sociolinguistic theories of politeness it argues that formal relationships between powerful members of the elite were constrained by distinct conventions of courtesy and etiquette By examining in detail these linguistic conventions of politeness Jon Hall presents new insights into the social manners that shaped aristocratic relationships The book begins with a discussion of the role of letter writing within the Roman aristocracy and the use of linguistic politeness to convey respect to fellow members of the elite Hall then analyzes the deployment of conventionalized expressions of affection and goodwill to cultivate alliances with ambitious rivals and the diplomatic exploitation of polite fictions at times of political tension The book also explores the strategies of politeness employed by Cicero and his correspondents when making requests and dispensing advice and when engaging in epistolary disagreements His exchanges with Appius Claudius Pulcher Munatius Plancus and Mark Antony receive particular emphasis Its detailed analysis of specific letters places the reader at the very heart of Late Republican political negotiations and provides a new critical approach to Latin epistolography

Cicero: Pro P. Sulla Oratio Marcus Tullius Cicero, 2004-05-20 In 62 BC the year after his suppression of Catiline Cicero delivered Pro Sulla a successful defence of P Cornelius Sulla the nephew of the dictator on a charge of participation in the Catilinarian conspiracy This edition which contains a new text together with introduction commentary and appendices is the first full scale scholarly treatment of the speech The text takes account of Gulielmus reports of the missing portion of the Erfurtensis manuscript recovered by Dr Berry and published as a preliminary to this edition in 1989 a complete collation is provided of this and the other principal manuscripts The introduction includes a reassessment of Sulla's guilt and Cicero's undertaking of the case and also considers issues such as the prose rhythm of the speech and its publication The commentary discusses history text and syntax as well as rhetoric and style

Myth, History and Culture in Republican Rome David Braund, Christopher Gill, Timothy Peter Wiseman, 2003 In this collection of essays an international team of outstanding scholars engage with the ideas and methods of Professor Peter Wiseman's past and present work They provide a sustained

response to the work of one of the most widely respected Roman historians of this generation The contributions range over myth Coriolanus and Remus the interplay between historiography literature and myth making on Cleopatra for instance and art and story telling at Boscoreale They explore Roman drama Pacuvius and links between drama and Virgil's Aeneid they discuss Catullus in Bithynia and Cicero on Greek and Roman culture Professor Wiseman has been at the forefront of innovative research in Roman history historiography literature in context drama and myth for many years His work is marked by the combination of a powerful historical imagination with an acute sense of the limitations of our knowledge and of the need to negotiate with the complexity of our sources

Cicero Gesine Manuwald, 2014-11-28 Marcus Tullius Cicero 106 43 BCE introduced Romans to the major schools of Greek philosophy forging a Latin conceptual vocabulary that was entirely new But for all the sophistication of his thinking it is perhaps for his political and oratorical career that Cicero is best remembered He was the nemesis of Catiline whose plot to overthrow the Republic he famously denounced to the Senate He was the selfless politician who turned down the opportunity to join Julius Caesar and Pompey in their ruling triumvirate with Crassus He was briefly Rome's leading man after Caesar's assassination in 44 BCE And he was the great political orator whose bitter conflict with Mark Antony led to his own violent death in 43 BCE In her authoritative survey Gesine Manuwald evokes the many faces of Cicero as well as his complexities and seeming contradictions She focuses on his major works allowing the great writer to speak for himself Cicero's rich legacy is seen to endure in the works of Quintilian and the Church Fathers as well as in the speeches of Harry S Truman and Barack Obama

Prosopography Approaches and Applications K. S. B. Keats-Rohan, 2007 This collection of 29 essays ranging from ancient to modern history and including Arabic Islamic prosopography covers all aspects of prosopography as currently practised

Imperial Inquisitions Steven H. Rutledge, 2002-01-04 Delatores political informants and accusatores malicious prosecutors were a major part of life in imperial Rome Contemporary sources depict them as cruel and heartless mercenaries who bore the main responsibility for institutionalising and enforcing the tyranny of the infamous rulers of the early empire such as Nero Caligula and Domitian Stephen Rutledge's study examines the evidence to ask if this is a fair portrayal Beginning with a detailed examination of the social and political status of known informants and prosecutors he goes on to investigate their activities as well as the rewards they could expect The main areas covered are checking government corruption and enforcing certain classes of legislation blocking opposition and resistance to the emperor in the Senate acting as a partisan player in factional strife in the imperial family protecting the emperor against conspiracy The book includes a comprehensive guide to every known political informant under the early empire with their name all the relevant primary and secondary sources and an individual biography

Catullus in Verona Marilyn B. Skinner, 2003 Gaius Valerius Catullus is one of Rome's greatest surviving poets and also one of the most popular Latin authors Comprehensive treatments of his work have been hindered however by the problems posed by the Catullan collection as it has come down to us Although many scholars now believe that Catullus did

publish his verse in one or more small volumes libelli the theory that these books were rearranged after his death means that individual pieces continue to be read and analyzed separately without reference to their placement within the collection Skinner challenges this theory of posthumous editorship by offering a unified reading of Catullus elegiac poetry poems 65 116 in our collection and arguing that it constitutes what was once a separately circulated libellus whose authorial arrangement has been preserved intact Purportedly issued from the poet's native city Verona to his Roman readership the volume presents itself as a valedictory This reading of the elegiac collection represents a major departure in Catullan studies The methodological contention that Catullus elegiac poems are better approached as a single cohesive poetic statement makes this book a valuable new contribution to Catullan scholarship **The Means Of Naming** Stephen Wilson, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company Spartacus Martin M.

Winkler, 2008-04-15 This is the first book systematically to analyze Kirk Douglas and Stanley Kubrick's depiction of the slave revolt led by Spartacus from different historical political and cinematic perspectives Examines the film's use of ancient sources the ancient historical contexts the political significance of the film the history of its censorship and restoration and its place in film history Includes the most important passages from ancient authors reports of the slave revolt in translation

The Romans in the Age of Augustus Andrew Lintott, 2009-12-23 Incorporating the most recent scholarship this book offers a fascinating history of Rome and the Roman peoples during the rule of the first Roman emperor Augustus Written in an easily accessible style making it the ideal introduction to Augustan Rome for those with little previous knowledge Offers compelling insight into the workings of Roman society during this pivotal period in its history Incorporates the most recent scholarship on aspects of Augustus's reign including the armed forces religion and intellectual and cultural life Andrew Lintott is a widely respected expert on the Roman Republic **Explorations in Latin Literature: Volume 2, Elegy, Lyric and**

Other Topics Denis Feeney, 2021-08-19 Denis Feeney is one of the most distinguished scholars of Latin literature and Roman culture in the world of the last half century These two volumes conveniently collect and present afresh all his major papers covering a wide range of topics and interests Ancient epic is a major focus followed by Latin lyric historiography and elegy Ancient literary criticism and the technology of the book are recurrent themes Many papers address the problems of literary responses to religion and ritual with an interdisciplinary methodology drawing on comparative anthropology and religion The transition from Republic to Empire and the emergence of the Augustan principate form the background to the majority of the papers and the question of how literary texts are to be read in historical context is addressed throughout All quotations from ancient and modern languages have now been translated and Stephen Hinds has contributed a foreword *Julio-Claudian Building Programs* M. K. Thornton, R. L. Thornton, 1989

New Men In The Roman Senate 139 Bc Ad 14 Introduction

In the digital age, access to information has become easier than ever before. The ability to download New Men In The Roman Senate 139 Bc Ad 14 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Men In The Roman Senate 139 Bc Ad 14 has opened up a world of possibilities. Downloading New Men In The Roman Senate 139 Bc Ad 14 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Men In The Roman Senate 139 Bc Ad 14 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Men In The Roman Senate 139 Bc Ad 14. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Men In The Roman Senate 139 Bc Ad 14. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Men In The Roman Senate 139 Bc Ad 14, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Men In The Roman Senate 139 Bc Ad 14 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About New Men In The Roman Senate 139 Bc Ad 14 Books
