New Perspectives On Corporate Social Responsibility Locating The Missing Link Fom Edition:

New Perspectives on Corporate Social Responsibility Linda O'Riordan,Piotr Zmuda,Stefan Heinemann,2015-04-14
Providing a timely contribution to the ongoing questions surrounding topics which are by definition subject to varying stakeholder interpretations this book addresses the missing link between theoretical CSR concepts and everyday management practice It acts as a guide to awaken managers to the advantages of adopting a CSR mindset when developing sustainable business strategies The book consists of three parts 1 A theoretical realm which establishes the key concepts and rationale for the adoption of a sustainable CSR approach 2 A practical realm which addresses putting CSR and sustainability into business practice 3 An educational realm which proposes how to incorporate the concepts into teaching and training

Managing Sustainable Stakeholder Relationships Linda O'Riordan,2017-09-01 This book examines corporate approaches to responsible management by investigating the stakeholder relationships between business and society Though concepts of responsible management continue to evolve its key objective is to explore the opportunities and dilemmas which business decision makers face when attempting to reconcile their organisation s interests with those of other stakeholder groups In this intensely debated field it focuses on the power of entrepreneurial purpose and the opportunities which emerge when corporate choices and actions are driven by connected stakeholder interests A case study of the pharmaceutical industry in the UK and Germany is presented to reveal how decision makers in this particular sector are responding to their context specific management challenges The research findings are subsequently employed to examine and revise a pre specified stakeholder management framework which was previously developed by the author The proposed updated framework is the book s main conceptual contribution By depicting a set of inclusive integrated and inter related steps it is intended to provide an innovative comprehensive practical toolkit for stakeholder management As such it is designed to help decision makers to attain the greatest possible outcome from the resources they invest by consciously basing their choices not merely on the impacts for their shareholders but also and more holistically for a broader range of stakeholders Ultimately the book demonstrates how optimally harmonised stakeholder management can serve as a powerful catalyst for unlocking viable business opportunities which serve the interests of business and society

Current Global Practices of Corporate Social Responsibility Samuel O. Idowu,2021-07-07 This book addresses the status quo of Corporate Social Responsibility practices and their development since 2008 How have things changed in the practice of CSR What new opportunities and challenges have arisen The book reports on an international set of cases and case studies on how CSR is practiced at business and organizations in various countries It analyzes country specific and industry specific issues as well as general global issues in connection with the United Nations Sustainable Development Goals The contributions gathered here provide comprehensive information on CSR for both practitioners and researchers around the globe
