New Revelation Arthur Conan Doyle:

The New Revelation Arthur Conan Doyle, 2015-05-14 Many more philosophic minds than mine have thought over the religious side of this subject and many more scientific brains have turned their attention to its phenomenal aspect So far as I know however there has been no former attempt to show the exact relation of the one to the other I feel that if I should succeed in making this a little more clear I shall have helped in what I regard as far the most important question with which the human race is concerned

The New Revelation Sir Arthur Conan Doyle, 2010-12-01 Though best remembered as the brilliant writer responsible for bringing master detective Sherlock Holmes to life Sir Arthur Conan Doyle was a well regarded thinker with wide ranging interests and he addressed many metaphysical and esoteric topics in a series of essays penned over the course of his career In this volume Conan Doyle offers some of his insights into the value of personal spiritual experiences and their relationship to traditional religious beliefs

The New Revelation Arthur Conan Doyle, 2004-06-01 Now leaving this large and possibly contentious subject of the modifications which such new revelations must produce in Christianity let us try to follow what occurs to man after death The evidence on this point is fairly full and consistent Messages from the dead have been received in many lands at various times mixed up with a good deal about this world which we could verify

The New Revelation Arthur Conan Doyle, 1918 Many more philosophic minds than mine have thought over the religious side of this subject and many more scientific brains have turned their attention to its phenomenal aspect So far as I know however there has been no former attempt to show the exact relation of the one to the other I feel that if I should succeed in making this a little more clear I shall have helped in what I regard as far the most important question with which the human race is concerned A celebrated Psychic Mrs Piper uttered in the year 1899 words which were recorded by Dr Hodgson at the time She was speaking in trance upon the future of spiritual religion and she said In the next century this will be astonishingly perceptible to the minds of men I will also make a statement which you will surely see verified Before the clear revelation of spirit communication there will be a terrible war in different parts of the world The entire world must be purified and cleansed before mortal can see through his spiritual vision his friends on this side and it will take just this line of action to bring about a state of perfection Friend kindly think of this We have had the terrible war in different parts of the world The second half remains to be fulfilled
