**You're Addicted to YOU (EasyRead Edition)** Noah Blumenthal, 2009 GetAbstract Summary Get the key points from this book in less than 10 minutes Though there is not a lot of new material here Noah Blumenthal manages to combine diverse ideas and create an extremely practical guide to personal change He takes in two valuable elements First he is clear and methodical Some books on change hurl readers into the process but his multistep plan walks readers through every stage of building awareness and making changes He demystifies the change process suggesting small manageable steps Second he insists on the importance of the larger context in determining behavior Blumenthal gets readers to scour their past present future and surroundings for the factors that trigger reward or support their bad behaviors Likewise he insists that readers get feedback from those around them and ask for considerable support The result is an immediately applicable book However the advice might seem somewhat uncomfortable as it exposes one s efforts to the supportive scrutiny of an

entire community getAbstract recommends it to readers who accept the author's call for emotional honesty and are seriously committed to change Book Publisher Berrett Koehler
