Cox,David Massey,Connie M. Koski,Ericka Wentz,2023-05-09 Written by an author team that includes former and current law enforcement officers *Introduction to Policing* focuses on the most thought provoking contemporary issues in the world of policing The authors tackle complex issues that impact policing today such as social diversity advancements in technology and global issues such as terrorism and transnational organized crime The Fifth Edition offers fully updated content in SAGE s Vantage courseware platform **Next Is Now** Lior Arussy,2019-05-28 One of the world s leading authorities on customer centric business transformation Lior Arussy founder and CEO of the global consulting firm Strativity Group offers a revolutionary yet pragmatic guide to not only managing change but driving and thriving in a world of cataclysmic explosions of information and technology Joseph Michelli 1 New York Times bestselling author of *Leading the Starbucks Way* The old business model of adapting to change for continued success is dead Change is the new normal There are no more periods of stability and predictability There is only change This continuous upheaval can undercut morale decrease productivity and decimate profits or it can be a game changing opportunity In *Next Is Now* Lior Arussy provides a comprehensive and instructive roadmap for leading change and preparing yourself and your organization for the future He generously shares insider insights examples and lessons learned from his many years advising top business leaders Denise Lee Yohn author of *What Great Brands Do* He helps corporate leaders and their employees view change as an opportunity to become invested drive that change and achieve more success and job satisfaction than if change were simply implemented from the top down Based on his experience working one on one with major corporate clients like Mercedes Benz Royal Caribbean Cruises Thomson Reuters HSBC and other Fortune 500 clients Arussy shares his five step Future Ready Impact program guiding change impacted employees and business owners from a victim mentality to one of participation and ownership As Stephen Cannon the former president and CEO of Mercedes Benz USA raves For anyone interested in building a thriving business Lior Arussy s insights provide actionable steps to integrate into your plans for achieving success The Next Upsurge Dan Clawson,2018-08-06 The U S labor movement may be on the verge of massive growth according to Dan

Clawson He argues that unions don't grow slowly and incrementally but rather in bursts Even if the AFL CIO could organize twice as many members per year as it now does it would take thirty years to return to the levels of union membership that existed when Ronald Reagan was elected president In contrast labor membership more than quadrupled in the years from 1934 to 1945 For there to be a new upsurge Clawson asserts labor must fuse with social movements concerned with race gender and global justice The new forms may create a labor movement that breaks down the boundaries between union and community or between work and family issues Clawson finds that this is already happening in some parts of the labor movement labor has endorsed global justice and opposed war in Iraq student activists combat sweatshops unions struggle for immigrant rights Innovative campaigns of this sort Clawson shows create new strategies determined by workers rather than union organizers that redefine the very meaning of the labor movement The Next Upsurge presents a range of examples from attempts to replace macho unions with more feminist models to campaigns linking labor and community issues and attempts to establish cross border solidarity and a living wage

Cultural Transformations John Mattone, Nick Vaidya, 2016-01-26 A Roadmap for Leadership and Cultural Transformation Throughout today's rapidly changing business world top CEOs face two primary challenges solving the leadership gap and creating a sustainable corporate culture International leadership coach John Mattone and CEO magazine editor in chief Nick Vaidya unlock the keys to leadership development and cultural transformation through intimate interviews with fourteen CEOs from top organizations including Deloitte Graybar The North Face HP Financial Ovation Brands Virtusa and Bigcommerce Culture was long thought to be merely a soft resource in the corporate equation However more and more business leaders are beginning to recognize the necessity of culture when it comes to creating and sustaining long term growth and change What is the key to creating a strong business culture Leadership The best cultures start with CEOs who set the tone for the rest of the company guiding others through the often difficult process of corporate transformation You'll gain valuable insights through experiences from the finest business minds on how to introduce and sustain cultural change in your organization Learn how successful CEOs came to realize their leadership potential Discover the key attributes that increase a leader's effectiveness Uncover your own leadership strengths and development needs Handle the primary obstacles to cultural transformation Address outdated mindsets and resistance to organizational change Mattone and Vaidya also draw upon their own extensive coaching and consulting experiences to provide a powerful and proven 6 Step Process for designing and implementing effective cultural transformations This process enhances the other valuable tools in this comprehensive guide so you can start building a positive organizational culture right away
