Ngos Procurement Manuals:

Procurement and Disbursement Manual for Projects with Community Participation Gita Gopal,1995 Draws on the experience of Bulgaria to study the problems encountered in financing government operations in the transition economies This report describes Bulgaria s experience in addressing external shocks to its economy and large declines in the ratio of tax revenues to GDP The book provides broad coverage of the problems many other governments face in transforming their systems of taxation in the transition to a market economy Chapters discuss taxation and incentives government and households indirect taxation and financing of social expenditures Attention is also drawn to the implementation of a value added tax and to policies on fuel taxes The report facilitates an understanding of the differences between actual and optimal policies as governments seek to establish a framework for resolving their budgetary problems in the transition

Consulting Services Manual 2006 ,2006-01-01 The second edition of the Consulting Services Manual provides detailed guidance to borrowers World Bank staff and consultants on the application of mandatory provisions of the Consultant Guidelines the Standard Request for Proposal SRFP and other policies and provides advice on the application of professional best practices on non mandatory aspects of working with the World Bank

Understanding Sustainable Public Procurement Sanjay Kumar,2022-10-07 This book explores the development of sustainable public procurement SPP as a strategic policy instrument to support decoupling of economic growth from environmental degradation and enhancing social well being Offering an in depth case study of India s SPP implementation trajectory it discusses the challenges of integrating sustainability criteria into purchasing decisions and examines policy choices and best practices to address them It investigates the legislative institutional and governance framework for SPP in India and identifies priority actions to accelerate wider uptake of SPP policy and practices Furthermore the book highlights the evolving role of SPP policies in response to emerging global mega trends such as international trade low carbon economy circular economy and Industry 4 0 Given its scope this book appeals to scholars of economics public administration and environmental and social sciences as well as to policymakers practitioners and advocates interested in steering transformational changes towards mainstreaming sustainable procurement practices in developing economies at the desired scale This book comes at the right time to compensate for the lack of in depth works on the origins nature and reality of the implementation of sustainable purchases

Farid Yaker Programme Officer Sustainable Public Procurement Economy Division UNEP Paris France If you are a procurement or sustainability professional anywhere in the world please read this book It will change the way you think and feel about your profession
