## **Nicaragua Honduras El Salvador Nicaragua Honduras El Salvador:**

Politics in Central America Thomas P. Anderson, 1988-04-21 A clear and balanced presentation of the dilemmas associated with each of the four nations A skillful cultural framework is provided in the first chapter which serves as an overview Foreign Affairs A fine study Anderson s reputation as a scholar and a Latin Americanist will be enhanced when this study has time to make its imprint American Political Science Review This new volume provides an up to date survey of the Central American states involved in the current conflict While several studies of the individual countries in the region have appeared there have been no recent attempts at a synthesis of the problems of the area Politics in Central America fills this gap analyzing the roots of the current crisis and suggesting solutions to the problems of the region The author s chief assertion is that the roots of the problems in Central America are not to be found in the East West struggle but in the competition within each country for control of the scarce natural resources This crisis in Central America calls for drastic and economic changes The key question Anderson claims is whether or not these changes can be brought about within a democratic framework

*Central America* John Baily, 1850 John Baily was an Englishman who lived for many years in Central America He was employed in 1837-38 by the government of Nicaragua to survey a potential canal route from the Caribbean Sea to the Pacific Ocean In 1850 Baily published this book and a separate map of Central America that showed four proposed routes for an isthmian canal Central America begins with an introductory chapter on the geography history and economy of the region as a whole followed by individual chapters devoted to Guatemala El Salvador Honduras Mosquito Territory in present day Nicaragua and Honduras Nicaragua and Costa Rica Each chapter describes physical features and boundaries and provides information about inhabitants products and other features The chapter devoted to Nicaragua is by far the longest and contains a detailed discussion of the proposed route for an inter oceanic canal through the country As indicated in the subtitle Baily was convinced of the remarkable capacity for colonization of the Central American countries The book concludes with a section on immigration Baily compared agricultural conditions in Central America to those in southern Texas and argued that European farmers who settled in the region and worked hard would prosper and prepare a handsome inheritance for their posterity
