Divided, But Not Disconnected Tobias Hochscherf, Christoph Laucht, Andrew Plowman, 2010-12-01 The Allied agreement after the Second World War did not only partition Germany it divided the nation along the fault lines of a new bipolar world order This inner border made Germany a unique place to experience the Cold War and the German question in this post 1945 variant remained inextricably entwined with the vicissitudes of the Cold War until its end This volume explores how social and cultural practices in both German states between 1949 and 1989 were shaped by the existence of this inner border putting them on opposing sides of the ideological divide between the Western and Eastern blocs as well as stabilizing relations between them This volume's interdisciplinary approach addresses important intersections between history politics and culture offering an important new appraisal of the German experiences of the Cold War

Quentin Tarantino FAQ Dale Sherman, 2015-02-01 Quentin Tarantino is a man who came to Hollywood and didn't break the rules so much as make plain that he didn't even notice them Making the films he wanted to see Tarantino broke

through with *Reservoir Dogs* in 1992 and then cemented his reputation in 1994 with the release of *Pulp Fiction*. As his fame grew, he spread his love for movies that are far from commonplace through his promotion of older films and theaters and by reviving the stalled careers of actors such as John Travolta, Pam Grier, and David Carradine. *Quentin Tarantino FAQ* examines the movies directed by Tarantino, the influences on his work, and the inspiration he gave to others. There are also chapters on certain recurring elements in his films, from fake product placement to the music actors and even cinematic moments used. The book also reviews his work in television, the articles written about him or by him over the years, his acting career, his public battles, and some of the projects he abandoned along the way. It all comes together to tell the story of a man who forged his own unique path and helped shape the way movies are made today. [E. PHILLIPS OPPENHEIM Ultimate Collection: 72 Novels & 100+ Short Stories in One Volume](#) E. Phillips Oppenheim, 2023-12-07 E Phillips Oppenheim's *Ultimate Collection: 72 Novels 100 Short Stories in One Volume* serves as a compelling compendium of one of the early 20th century's most prolific writers. Spanning genres that intertwine romance, mystery, and espionage, Oppenheim's narratives are characterized by their intricate plots and exquisitely drawn characters, revealing a keen understanding of human nature. With a style that balances sophistication and suspense, this collection not only showcases Oppenheim's versatile storytelling but also reflects the social and political nuances of an era marked by great upheaval, making it a key text for understanding the evolution of detective fiction and popular literature in the early 1900s. E Phillips Oppenheim, often dubbed the Prince of Storytellers, rose to prominence during the dawn of the 20th century. With a background in journalism and a keen awareness of contemporary events, his writing took a unique turn toward espionage novels, mirroring the anxieties of his time, particularly as World War I loomed. His extensive body of work is largely informed by his belief in the power of narrative as a means to engage with the realities of life, love, and moral ambiguity in a rapidly changing world. This ultimate collection invites readers to embark on a captivating journey through Oppenheim's literary landscape, engaging with plots that grip the imagination and characters that resonate with emotional depth. For lovers of historical fiction and genre enthusiasts alike, this compilation serves as both an introduction and a comprehensive exploration of Oppenheim's work, making it an essential addition to any literary library. *Historical Dictionary of Postmodernist Literature and Theater* Fran Mason, 2016-12-12 The main aim of the book has been to include writers, movements, forms of writing, and textual strategies, critical ideas, and texts that are significant in relation to postmodernist literature.
