Rackes, 2013-09-26 Do you realize how long its been Dallas spoke trying and across the border to keep her voice as unemotional as possible Bart hated scenes Dallas knew she should back off drop the subject and leave Bart alone It was the only safe way to deal with him lately Tonight was a final desperate effort on her part It was their wedding anniversary If anything was left between them she should be able to reach it on what was supposed to be a day of celebration Early returns werent promising Lets face it Dallas thought Your carefully constructed web of pretense is fraying and fraying fast with a whole lot of help from your husband Why cant you admit its over and just take your losses and get out Because I hate to give up and throw twenty years down the rabbit hole At least without giving it one last shot Bart didnt answer Dallas didnt even acknowledge the question He was staring past her at a spot somewhere over and slightly to the right of her head His moods had gotten increasingly dark and difficult lately his patience with her nonexistent As Dallas watched him lift the glass he held and drain its contents she thought Hes drinking way too much Dallas looked away feeling totally defeated As she did she heard Bart rattle the ice cubes in his glass That was her cue to get him a refill Let him get his own damned refill she decided with a rare burst of irritation and rebellion He has feet Tonight as soon as shed given him his anniversary gift she knew shed made a mistake His face closed up his jaw tensed and he acted like shed handed him a bomb he expected would go off at any minute The gift still sat unopened on the table At first Dallas hoped it was because he forgot about the anniversary and didnt have anything for her But it was more than that There was something different about Bart tonight something Dallas couldnt identify something that intensified the uneasy feelings shed had for the last six months More and more she felt like she was living with a stranger Doesnt twenty years of marriage mean a thing to you Bart Dallas asked At last Bart decided to acknowledge her presence He let his gaze drop to her slender ankles and work its way up to her face His hazel eyes were cold and his mouth was set in a thin line I fail to see twenty years of marriage as an excuse for you to run around dressed like a cheap tramp Dallas he said Im not dressed like a tramp Dallas wore a white lace teddy she bought especially for the occasion It was about as successful as the fancy dinner she cooked and Bart barely touched Another mistake obviously she decided My whole life seems to be a mistake lately She sighed I wanted you to make love to me Thats all Nothing else works I thought this was worth a try Barts silence and the unyielding intensity of his gaze made Dallas look

away again She stared past him out the sliding glass patio doors where a crescent moon floated on the horizon It washed the night with pale light and made it look as cold and empty as Dallas felt I will make love to you when I want to Bart finally said Do you understand And if I never want to again that part of your life will be over Whether you like it or not Dallas swallowed hard bit her lip and fought back the tears of resignation and defeat that gathered on her lower lids If there was anything her husband hated worse than emotional scenes it was tears You are no different from any other tramp in the world are you Dallas Always willing to get some poor slob to do what you want him to do Then when he does you turn on him You all turn on him Barts words and the vehemence behind them dried Dallass tears up before they had a chance to spill over What in Gods name is he talking about now Dallas wondered Not for the first time in her dealings with Bart lately had she tried to label uneasiness that crossed the line and became somet The Wealth of Shadows Graham Moore, 2025-05-13 NATIONAL BESTSELLER A thriller of a different kind with an unlikely band of economists and bureaucrats working in the shadows to save the world Charles Frazier New York Times bestselling author of Cold Mountain An ordinary man joins a secret mission to bring down the Nazi war machine by crashing their economy in this thrilling novel based on a true story from the Academy Award winning screenwriter of The Imitation Game and bestselling author of The Last Days of Night This Random House Book Club edition includes an interview with the author historical photographs and a discussion guide 1939 Ansel Luxford has everything a person could want a comfortable career a brilliant spouse a beautiful new baby But he is obsessed by a belief that Europe is on the precipice of a war that will grow to consume the world The United States is officially proclaiming neutrality in any foreign conflict but when Ansel is offered an opportunity to move to Washington D C to join a clandestine project within the Treasury Department that is working to undermine Nazi Germany he uproots his family overnight and takes on the challenge of a lifetime How can they defeat the enemy without firing a bullet To thwart the Nazis Ansel and his team invent a powerful new theater of battle economic warfare Money is a dangerous weapon and Ansel s efforts will plunge him into a world full of peril and deceit He will crisscross the globe to broker backroom deals undertake daring heists and spar with titans of industry like J P Morgan and the century s greatest economic mind Britain s John Maynard Keynes When Ansel s wife takes a job with the FBI to hunt for spies within the government the need for subterfuge extends to the home front And Ansel discovers that he might be closer to those spies than he could ever imagine The Wealth of Shadows is a mind expanding historical novel about the mysterious powers of money the lies worth telling to defeat evil and a hidden war that shaped the modern world *Encyclopedia of American Film Serials* Geoff Mayer, 2017-02-07 From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger
