Nice Relentless Inside Story Ladies Footballers:

Relentless Mary White, 2019-06-07 *Relentless* tells the story of the rise of Cork ladies football between 2005 and 2016. Having never won a senior title in the sport in 2004, by 2016 the team had won ten All Ireland titles in eleven years. Mary White takes the reader behind the scenes and shows what made the Cork ladies footballers one of the most successful teams ever in the history of Irish sport. The book was shortlisted for the 2015 Setanta Ireland Sports Book of the Year. This edition contains a new afterword from the author bringing the story up to the present day. It would have been disastrous if the best team in Irish sport had passed into history without their story being told. Luckily for them and for us, Mary White was there taking notes right from the beginning and can give an outsider's view with an insider's knowledge. It's not often that happens. A great insight into a truly great team. Malachy Clerkin, *The Irish Times*. *Don't Get A Job, Build A Business* Joanne Hession, Joan Baker, 2013-01-18

This book is full of the kind of information you need to run a small business successfully whether you are just starting out or you have an established business and you want to develop it and ensure its survival. Through a series of Killer Questions the authors highlight all the important things you need to think about to make your business a success and ensure you are heading in the right direction. The book is divided into three sections: the first deals with the business owner themselves, the second addresses other people involved in the business whether they are customers, suppliers, staff or consultants, and the third looks at the structure of and planning in the business. The informal approach and short chapters means that the book can either be read straight through or be dipped in and out of for easy reference. The authors have a combination of fifty years business experience between them and are both currently involved in business training and coaching. **Game Changer** Cora Staunton, 2018-10-18 Cora Staunton is an iconic figure in the world of modern GAA. In this ground-breaking autobiography she reveals her extraordinary journey from teenage rookie to the highest scoring forward in the history of Ladies Gaelic Football. Since making her senior inter-county debut for Mayo at just thirteen years of age, Cora has become a feared and respected opponent on any pitch. Now for the first time she recounts the triumphs of her career and the personal struggles that have plagued it. In this refreshingly candid book Cora recalls finding refuge in the game after the death of her mother but also speaks openly about the challenges and conflicts she and her teammates have experienced in the under-resourced world of female sport. She gives a fascinating insight into her move to a professional team in Sydney and how she coped with going from a veteran to a newcomer overnight. In the first ever autobiography of a female GAA star *Game Changer* will take its place as one of the most influential and powerful sports books in recent years.
