**Peter Kennard** Peter Kennard, 2019-08-20 This fully illustrated anthology showcases key images from Peter Kennard's work as Britain's foremost political artist over the last fifty years. The book centres around Kennard's images, photomontages and illustrations from protests year by year which provoked public outrage including Israel/Palestine protests, anti-nuclear protests, responses to austerity, climate destruction and more. Each image is accompanied by captions detailing not only the events in question but Kennard's approach to the work including the genesis of the images and the techniques employed. Ultimately, the book highlights Kennard's extraordinary contribution to political art in the twenty-first century. **The British Journal of Photography** William Crookes, T.A. Malone, George Shadbolt, J. Traill Taylor, William Blanchard Bolton, Thomas Bedding, 1901

**Future North** Janike Kampevd Larsen, Peter Hemmersam, 2018-04-09 The changing Arctic is of broad political concern and is being studied across many fields. This book investigates ongoing changes in the Arctic from a landscape perspective. It examines settlements and territories of the Barents Sea Coast, Northern Norway, the Russian Kola Peninsula, Svalbard and Greenland from an interdisciplinary design-based and future-oriented perspective. The Future North project has travelled Arctic regions since 2012, mapped landscapes and settlements, documented stories and practices, and discussed possible futures with local actors. Reflecting the multidisciplinary nature of the project, the authors in this book look at political and economic strategies, urban development, land use strategies and local initiatives in specific locations that are subject to different forces of change. This book explores

current material conditions in the Arctic as effects of industrial and political agency and social initiatives It provides a combined view on the built environment and urbanism as well as the cultural and material landscapes of the Arctic The chapters move beyond single disciplinary perspectives on the Arctic and engage with futures cultural landscapes and communities in ways that build on both architectural and ethnographic participatory methods *The American Photo Engraver*, 1944 101 Quick and Easy Secrets to Create Winning Photographs Matthew Bamberg, 2009 Discover how to take compelling photographs utilizing all the awesome features of your digital camera 101 Quick and Easy Secrets to Create Winning Photographs shows you how to use composition and technical methods and creative and artistic applications to achieve amazing images using both in camera and post processing techniques Every chapter covers a different overall theme with each technique laid out in a two page spread that features easy to follow instructions to achieve the shot and stunning full color photographs showing the results You ll learn how to manipulate images with light and shadow make people and animals look more lifelike create a mood using the weather make colors pop and even add unusual effects to your photographs Each image incorporates different photography skills or specific camera features so you really discover how to get the most out of your digital camera One part photo essay collection and one part how to 101 Quick and Easy Secrets to Create Winning Photographs is perfect for new digital camera owners who are eager to learn how to get amazing photographs *Chicano and Chicana Art* Jennifer A.
