A New Life Is Expecting You Minister Leandro Olivarez,2015-05-21 The year was 1978 in early June Vivian and Lucia Olivarez had just accepted Jesus Christ to be their Lord and Savior They had been prophesied too many times that

their children would all serve the Lord and that all their children would testify and be ministers of the Word of God This prophecy has been fulfilled Then in early 2009 they were prophesied again for the third time that they would have a son This son would be the most rebellious of all their children and he would be used greatly by God My name is Leandro Lenn Olivarez I am the youngest of five children I am also the copastor of Templo De Alabanza Temple of Praise ministry in Rockport Texas Under the direct leadership of Senior Pastor Vivian Olivarez I have been preaching now for over five years After growing up in the Lord and backsliding I have seen the ministry of God change so much that it hurts I can only imagine how God feels I have spent the majority of my life running from God and that very rebellion brought some very bad evil spirits into my life I was at one point of my life a drug user I was also a heavy metal drummer and radio DJ chasing after all the wrong things My parents who also happen to be my pastors never stopped praying for me This book is to show that your life has a greater purpose and it may have already begun Submitting to God is the first step What you are about to read are real life testimonies from me and my family We have seen the mighty hand of God in our family and in the ministry that God has placed before us You are also going to see Gods hand in depth on how he worked in our lives and the difference between believing and true faith deep down At a very young age I was exposed to the real full power of God and this very truth rattled my soul to the very core of my inner being Another thing God showed me is that everyone believes in something but believing in the unknown and the unseen is a step of faith Jesus said that all you have to do is believe because if you can start there with your belief nothing is impossible I have encountered evil spirits I have fought them through the name and the blood of Jesus I have had encounters with demons and a witch even sat at my dining room table looked me in the eye and threatened me to my face God showed me that true repentance and the name and the blood of Jesus are the only way to break the curses and be set free Please pray to the Lord that he will open your spiritual eyes so that you may see what he wants you to see There is nothing in this whole world that anyone can say to me to change my mind that God still heals people and sets people free from demonic forces I am a witness to Gods full power I have seen with my eyes demons back away at the name of Jesus I asked the Lord that in the name of Jesus Christ you will receive a blessing from God while you are reading this book All honor and all glory to my savior Jesus Christ **The Gospel of John and the Religious Quest** Johannes

The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike
