## **New Proclamation Year C 2013 Advent Through Holy Week:**

*Preaching Prophetic Care* Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world, the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. *The Queer Bible Commentary, Second Edition* Mona West, Robert E. Shore-Goss, 2022-09-30 First published over ten years ago, *The Queer Bible Commentary* brings together the work of several scholars and pastors known for their interest in the areas of gender, sexuality, and Biblical studies. Contributors draw on feminist, queer, deconstructionist, utopian theories, the social sciences, and historical critical discourses. The focus is both how reading from lesbian, gay, bisexual, and/or transgender perspectives affects the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities. This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture. *By the Rivers of Babylon* Robert P. Hoch, 2013-12-01 The language of exile, focused with theological and biblical narratives and coupled with depictions of real-life exilic communities, can equip church leaders as agents in the creation of new communities. Robert Hoch reads the larger North American tradition of Christian worship and mission through the prism of visibly marginalized communities. Through this lens, leaders may come to see diversity as an indication of mission vitality and focus less on assimilating people and more on the future promises of God and the manifold textures of incarnation. *New Proclamation* G. Lee Ramsey, Joni S. Sancken, L. Susan Bond, Jonathan Linman, 2012 In addition, *New Proclamation*, true to its ecumenical scope, has traditionally offered commentary on all of the major lectionary traditions. Now reflecting changes in practices among the mainline Protestant denominations, those number just two: the Revised Common Lectionary (RCL) and the Roman Catholic Lectionary for Mass (LFM).
