

The background of the book cover features a large Ferris wheel on the left side, with its spokes and capsules visible against a blue sky. On the right side, there is a mathematical graph showing a parabola  $x = -y^2 + 2y$  and a line  $x = y^2$  intersecting at the origin (0,0) and at the point (1,1). The area between the two curves is shaded in yellow. The graph is plotted on a coordinate system with x and y axes.
