Burnette, Terri Darby Moore, 2013-11-14 The apostolic fathers late first century to mid second century are early and important links to apostolic Christianity although there is vigorous debate regarding their connection with the normative teachings of the primitive church This new reference work designed to be used alongside Michael Holmes s third edition of the Apostolic Fathers Baker 2007 makes these vital writings more accessible by providing students with contextually sensitive glosses of words that occur fewer than thirty times in the New Testament These definitions are presented in the order in which they occur in the texts along with the frequency of the word in the book to facilitate a seamless reading process Thus students of New Testament Greek will be able to more comfortably expand their studies to read the works of Clement of Rome Ignatius of Antioch the Shepherd of Hermas Polycarp of Smyrna Papias and others This work will spur many students of the New Testament to explore the writings of the apostolic fathers and wrestle with their content theology praxis use of the New Testament and devotion to the risen Lord Reading Revelation C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns *New Testament TransLine* Michael Magill, 2008-07-18 Second Edition The republishing of the New Testament TransLine has given me the opportunity to fix all the typos that have been brought to my attention I give thanks to all who helped by pointing out these things In addition I have produced the forthcoming Disciples Literal New Testament tentative title which is a simplified version of this book about one third its size It is the same translation found in this volume but now presented in paragraph format no outline with interpretive section headings and a few notes Moving the translation to paragraph format required changes to the punctuation and these are now incorporated into this volume as well Some improvements to the outline structure of The New Testament TransLine were also made as an outcome of viewing the text in paragraphs May God bless you as you study His Word and may God use these two works according to His good pleasure In
