*New Testament History* Ben Witherington, 2001 Publisher's description Essential to an understanding of the New Testament is a comprehension of the individuals events and social movements that shaped the setting from which Jesus and his followers emerged Unfortunately many accounts by historians can leave readers feeling overwhelmed and confused New Testament History provides a worthy solution to this problem A well known expert on the social situation of the New Testament Ben Witherington offers an engaging look into the world that gave birth to the Christian faith [New Testament History](#) Ben Witherington, III, 2003-11-01 Essential to an understanding of the New Testament is a comprehension of the individuals events and social movements that shaped the setting from which Jesus and his followers emerged Unfortunately many accounts by historians can leave readers feeling overwhelmed and confused New Testament History provides a worthy solution to this problem A well known expert on the social situation of the New Testament Ben Witherington offers an engaging look into the world that gave birth to the Christian faith **A Handbook of New Testament Exegesis** Craig L. Blomberg, Jennifer Foutz Markley, 2010-11 This accessible handbook provides sound guidance on how to study the New Testament in depth offering a step by step approach to the exegetical task **The IVP Introduction to the Bible** Philip S. Johnston, 2011-05-25 Editor Philip S Johnston presents the best evangelical thought on the proper interpretation and study of the Bible Written by a team of international and interdenominational scholars this resource is designed to set you on your way to responsible biblical interpretation **Being Missional, Becoming Missional** Banseok Cho, 2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand [An Annotated Guide to Biblical Resources for Ministry](#) David R. Bauer, 2011-04-01 David Bauer's Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New

Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary

*Can We Trust the Gospels?* Mark D. Roberts,2007-06-08 Attacks on the historical reliability of the Gospels especially their portrayal of Jesus Christ are nothing new But are these attacks legitimate Is there reason to doubt the accuracy of the Gospels By examining and refuting some of the most common criticisms of the Gospels author Mark D Roberts explains why we can indeed trust the Gospels nearly two millennia after they were written Lay readers and scholars alike will benefit from this accessible book and will walk away confident in the reliability of the Gospels *The Untold Story of the New Testament Church [Revised and Expanded]* Frank Viola,2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you ll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it s non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing

atmosphere of the first century so you can uncover the hidden riches contained in God's Word Writing History. Constructing Religion James G. Crossley, Christian Karner, 2018-01-18 Writing History Constructing Religion presents a much needed interdisciplinary exploration of the significance of debates among historians scholars of religion and cultural theorists over the nature of history to the study of religion The distinguished authors discuss issues related to definitions of history postmodernism critical theory and the impact on the study and analysis of religious traditions exploring the application of writing history from below discussions of truth and objectivity as opposed to power and ideology crises of representation and the place of theory in the historicized study of religion's Addressing conceptual debates in a wide range of historical and empirical contexts the authors critically engage with issues including religious nationalism Nazism Islam and the West secularism religion in post Communist Russia ethnicity and post modernity This book constitutes a significant step towards the self reflexive and interdisciplinary study of religions in history **1 Corinthians 1-4** Oh-Young Kwon, 2010-08-01 This book investigates 1 Corinthians 1-4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul's references to boasting and imitation indicate both his subversive use and his critique of this Greco Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty first century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T'oe-gye's legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity Rose Then and Now Bible Map Atlas Paul H Wright, 2021-08-03 Most Bible atlases only feature maps with very few explanations which means they show where places are but they don't explain why they matter Enjoy having an Atlas that not only includes over 120 maps but also key background information Rose Then and Now Bible Map Atlas with Biblical Background and Culture is the only Bible atlas with a combination of 120 stunning detailed Bible maps Maps of modern cities and countries so you know where Bible places are today Incredible insights into the lives of 30 important Bible characters This Bible atlas focuses on people not regions and how the Middle East geography affected their lives and decisions You take studying the Bible seriously which means you already know that understanding the Bible's background and context is the only way to fully understand its meaning But with dozens of cultures and cities mentioned in the Bible what information is important to know Maps include lines to show the direction people traveled along with helpful notes Paul Wright's text gives Bible references and shows how knowing the land of the Bible uncovers new details in the most beloved stories and people Learn how David's clever understanding of geography and politics led to his marriage with Ahinoam of Jezreel Discover why Naomi in the Book of Ruth couldn't just move back to Bethlehem after her husband's death and use his land again Find out why Moses and the Children of Israel took the long southern trek from

Egypt to the Promised Land rather than the direct route This is the only topical atlas available that offers all these features The Rose Then and Now Bible Map Atlas gives you incredible insights into your favorite Bible stories      *Mission in the Gospels* Geoffrey Harris,2014-01-27 Mission in the Gospels considers the gospels through a twin lens first the nature of Jesus own mission as understood by the evangelists and secondly the desire of the gospel writers and their churches to gain some understanding of their own mission by interpreting Jesus attitudes and actions especially with regard to the Gentiles The principles for mission that arise out of this investigation shed a good deal of new light on the gospels and the motives for their writing and on their theological insights      **Good News for Moderns** Nero James Pruitt,2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom      *The Pastor's Library* Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies      *The Rage Against the Light* Peter Harris,2019-04-29 Christopher Hitchens was the most eloquent of the New Atheists With great rhetorical polish and an encyclopedic mind for historical facts and literary quotations he presents the case of anti theism very

effectively Though now deceased Hitchens arguments continue to reverberate through his best selling books and online presence God asserts Hitchens would be if he existed the greatest of dictators Religion according to Hitchens is morally bankrupt and madly irrational The world is better off without them But is this true It is the purpose of this book to identify Hitchens worldview in order to subject it to a critique that will powerfully expose its many flaws Rather than a dictator God will be shown to be a God of love Christianity too will be revealed as a faith that ought to resist tyranny provides the best foundation for intrinsic human value and is a rational belief system In so doing this book appeals to all who have been influenced or convinced by Hitchens arguments to reconsider their position and refuse to rage against the light     *Paul and First-Century Letter Writing* E. Randolph Richards, 2004-10-22 Informed by the historical evidence and with a sharp eye for telltale clues in the Apostle Paul s letters E Randolph Richards takes us into his world and places us on the scene with Paul the letter writer offering a glimpse that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be
