Learning Through Supervised Practice in Student Affairs Diane L. Cooper, Sue A. Saunders, Roger B. Winston, Jr., Joan B. Hirt, Don G. Creamer, Steven M. Janosik, 2013-08-21 Developed for use by graduate students preparing for careers in higher education administration who are enrolled in practicum and internship courses in higher education administration or student affairs programs

Student Affairs Assessment Gavin W. Henning, Darby M. Roberts, 2023-11-15 This second edition of *Student Affairs Assessment Theory to Practice* provides updated content that reflects current student affairs assessment

practice and signals the direction in which the field is headed. Chapters feature foundational concepts of assessment design, outcomes, and data collection methods while also addressing current topics in student affairs assessment such as the prevalence of data analytics through higher education and equity-centered assessment. In addition, this volume further broadens the scope of the assessment process by highlighting the impact of culturally responsive ethics and Indigenous paradigms. Ultimately, this book provides student affairs staff with the grounding they need to integrate assessment into how they design and monitor the programs, services, and activities they create to contribute to students' development. A useful reference for implementing assessment of co-curricular programs and services, this book is an excellent guide for student affairs practitioners and experienced assessment professionals to develop their assessment skills and knowledge.

Linking Theory to Practice Frances K. Stage, Michael Dannells, 2000. The new edition of this acclaimed book offers twenty-six new case studies on student affairs issues that reflect the complexity of today's environment at colleges and universities. The cases present a challenging array of problems to tackle such as racial diversity, campus violence, alcohol abuse, and student activism. The campus settings range from large research universities, community college campuses, historically Black institutions, and residential liberal arts colleges. An excellent teaching tool, the book challenges students to consider multiple overlapping issues within a single case study. The book is also intended for student affairs workshops or for new or experienced professionals in student affairs. Outstanding features include a two-part structure that sets the stage for case study methods and links student affairs theory with practical applications. Cases set in a wide variety of institution types and locations. Complex case studies reflecting the multifaceted issues student affairs professionals face in today's college/university environment.

Student Clashes on Campus Jeffrey C. Sun, George S. McClellan, 2019-10-02. This book unpacks the tension between free speech and the social justice priority to support all students. Drawing on court cases, institutional policies, and procedures, and notable campus practices, this book answers the question: How do campus leaders develop interests of social justice and create a campus that is inclusive and inviting of all identities while also respecting students' free speech rights? This useful guide provides insights about the myriad of challenges that campus leaders have faced along with practical approaches to address these issues on their own campuses. Experts Sun and McClellan interrogate the assumptions, thoughts, events, rules, and actions often at play when free expression clashes with a college's mission of diversity, inclusion, and social justice. This book helpfully guides campus leaders to consider a series of legal frameworks and promising policies as solutions for balancing social justice and free speech.

IMPROVING LEADERSHIP IN STUDENT AFFAIRS ADMINISTRATION Arthur Sandeen, 2000-01-01. If student affairs is to continue to advance as a vital part of the administration of colleges and universities, it is essential to focus on the role of leadership in the profession. The major purpose of this book is to provide learning opportunities for those who aspire to become senior student affairs leaders by presenting a variety of realistic case studies for discussion and debate. By thinking through the issues presented in the case and by considering the advantages

and disadvantages of the various options presented for resolving the issues readers will increase their understanding of the role of student affairs leadership The test includes an introductory chapter about the current state of leadership in student affairs and also provides insight into the expectations institutions have for the future The 18 cases are organized in four sections Initiating programs revising and implementing policy developing effective structures and responding to specific issues The topics for the cases were selected to present many different kinds of problems and issues representing public and private urban and rural and large and small institutions This book provides students with a source of excellent interaction and discussion and it is offered as another key component to the lengthy process of learning how to become an effective student affairs leader

Roads Taken Kristen A. Renn, Carole Hughes, 2023-07-21 The work of student affairs professionals is demanding and unpredictable This book addresses the particular challenges that it presents to women in mid career While much has been written about new graduate students new professionals and senior administrators in student affairs scant attention has been paid to the issues of mid career and particularly as they impact women Here are the stories of over twenty women from widely different backgrounds reflecting on their lives at mid career They describe the choices they made and share the lessons they have learned particularly the ever present concerns about reconciling the demands of work and responsibilities to family and partners The volume focuses on issues that have particular and significant meaning for women The individual narratives are grouped into five sections each beginning with a scholarly introduction to its topics The sections deal with education and self development such as the life implications of embarking on a doctorate dual career couples and such decisions as relocation choices about having children and responsibilities for the care of aging parents arriving at mid career and alternatives to traditional linear career progression in student affairs administration This volume is a particular gift to women currently in mid career positions in student affairs women embarking on their personal and professional journey in student affairs the partners of such women their colleagues and the individuals who supervise them

Supervising New Professionals in Student Affairs Steven M. Janosik, Don G. Creamer, Joan B. Hirt, Roger B. Winston, Sue A. Saunders, Diane L. Cooper, 2004-11-23 This handbook explains the rationale behind supervised practice and addresses design supervision and ethical components that are relevant to both faculty teaching supervised practice courses and supervisors overseeing students on site

Enhancing Student Learning and Development in Cross-Border Higher Education Dennis C. Roberts, Susan R. Komives, 2016-09-27 Higher education is expanding internationalizing and changing rapidly around the world Yet many of the broader international higher education community and funders are unaware that much of what the United States has achieved in quality higher education derives from the student affairs staff This volume addresses the opportunities and challenges in creating student learning and development programs and strategies that are culturally appropriate and use best practices from regions around the world This volume includes suggestions using the whole institutional environment curriculum and co curriculum examples from China Mexico Singapore South Africa and the

United Kingdom and holistic and engaging approaches through student affairs student development and student services This will be of interest to all those who value quality higher education no matter what their role The intent is to convince broader constituencies of the merit of enhancing the student experience so that students worldwide will benefit from enhanced learning and development opportunities This is the 175th volume of the Jossey Bass quarterly report series New Directions for Higher Education Addressed to presidents vice presidents deans and other higher education decision makers on all kinds of campuses it provides timely information and authoritative advice about major issues and administrative problems confronting every institution
