**Feedback: Strategies to support teacher workload and improve pupil progress** Kate Jones, 2024-12-13 Strategies techniques and ideas come and go in education but feedback will always be an important aspect of effective teaching learning and assessment Feedback should be helpful and actionable and pupils must embrace it but the reality is that this doesn't always happen Pupils receive feedback on a daily basis from their teachers and peers so how can we make sure it helps rather than hinders learning This book aims to answer that key question and provide a wide range of practical examples for the classroom Feedback strategies to support teacher workload and improve pupil progress the latest book by bestselling author Kate Jones explores a variety of evidence informed and workload friendly feedback strategies Jones examines the ingredients of effective feedback shows what actionable feedback looks like in practice explores verbal feedback approaches advises on peer and self assessment and on harnessing technology to support teacher workload Fascinating case studies reveal how classroom teachers and school leaders across primary and secondary are implementing feedback in their settings

Kaplan GED Test 2016 Strategies, Practice, and Review Caren

Van Slyke,2015-12-01 Always study with the most up to date prep Look for GED Test 2017 Strategies Practice Review with 2 Practice Tests ISBN 978 1 5062 0927 2 on sale November 29 2016      **Currency Wars with China and Japan in Western Newsmagazines** Damien Ng,2022-02-27 This book explores China's currency wars with its trading partners in four Western newsmagazines Time The Economist L Express and Der Spiegel Based on both quantitative and qualitative approaches the interdisciplinary approach adopted in the research draws on two analytical frameworks from the realm of critical discourse analysis van Leeuwen's socio semantic inventory of social actor representation and van Dijk's concepts of macro rules as the overarching approaches to understand the changing dynamics of international relations and the global economy through Western media The sample in this study consists of 160 texts half of which are focused on China and the other half on Japan across a period of 12 months in 2010 China and in 1987 Japan Through the comparison of Western representation between China and Japan the similarities and differences in their coverage have been revealed as even more striking with regards to global politics and the international economy The findings obtained from the empirical research have revealed that China was not only reported more unfavourably than Japan in terms of depth but also across a broader range of areas spanning economics politics and military affairs It has also emerged that all the four Western newsmagazines tended to centre their coverage on the US and China in 2010 and the US and Japan in 1987 although they did not speak in one collective voice with regard to their coverage of China and Japan      *Criminal Justice Responses to Maternal Filicide* Emma Milne,2021-08-27 Milne provides a comprehensive analysis of conviction outcomes through court transcripts of 14 criminal cases in England and Wales during 2010 to 2019 Drawing on feminist theories of responsabilisation and gendered harm she critically reflects on the gendered nature of criminal justice's responses to suspected infanticide      Organizational Change for the Human Services Thomas Packard,Thomas Roy Packard,2021 Organizational Change for the Human Services is designed for managers and other leaders in human service organizations HSOs and students in graduate programs in social work nonprofit management public administration and human resource management It covers evidence based principles for planning and implementing organizational change initiatives in areas such as implementing evidence based practices new or improved information systems diversity equity and inclusion initiatives and organizational restructuring Details are provided on many change methods from team building employee surveys use of consultants intrapreneurship and continuous quality improvement to change processes specifically for HSOs such as capacity building implementation science staff initiated organizational change and cutback management      The Psychology of Suicide: From Research Understandings to Intervention and Treatment Yossi Levi-Belz,Yari Gvion,Alan Apter,2019-07-11 Suicide is a highly complex and multifaceted phenomenon with many contributing and facilitating factors and variables However given its being one of the most severe human behaviors an obvious focus would be to identify the underlying psychological mechanisms and processes that may lead to suicidal ideation and behavior This eBook is dedicated to studies exploring various approaches to the psychology of

suicidal behavior as well as of non suicidal self injury NSSI The purpose of this eBook is to shed light on in depth examinations of the current knowledge and empirical data regarding models theories and specific dimensions and variables that may help us increase the psychological understanding of suicidal phenomena The specific goal is to identify particular psychological characteristics that may be used to develop prevention and intervention methods and programs We believe that this eBook can contribute to the understanding of this behavior and help to develop specific tools therapeutic guidelines and programs that may help reduce the number of suicides occurring annually This eBook is dedicated to our dearest friend Dafni Assaf who was one of the greatest leaders of the suicide prevention program in Israel *Behavior Change in the Human Services* Martin Sundel, Sandra S. Sundel, 2017-01-13 Using a unique behavioral assessment and treatment planning framework the updated Sixth Edition provides a systematic overview of behavioral and cognitive principles and their applications to a wide range of issues and situations encountered in human services professions Up to date practice examples drawn from eight diverse case studies illustrate the range and versatility of the behavior change approach in an increasingly diverse and multicultural society while an innovative chapter on clinical applications of behavioral and cognitive intervention techniques also addresses current influences in the field This edition embraces the rigorous empirical foundations that have made this approach such a significant contributor to the national and international therapeutic milieu of the 21st century

The Handbook of Social and Political Conflict Sergei Samoilenko, Solon Simmons, 2025-03-25. Provides real-world insights into social and political conflict across disciplines. The Handbook of Social and Political Conflict offers a comprehensive exploration of conflict from a variety of disciplinary perspectives, merging insights from fields including sociology, political science, psychology, communication, and conflict resolution. Bringing together original work by experts from around the world, this authoritative volume provides readers with a deep understanding of the mechanisms, causes, and consequences of conflict. Designed for those who wish to bridge academic disciplines, the Handbook both advances theoretical understanding and offers practical conflict resolution strategies that can be applied in a broad range of contexts, from interpersonal disputes to international tensions. Each in-depth chapter tackles a unique concept while maintaining a coherent narrative that spans topics such as political polarization, the rhetoric of social control, the role of technology in shaping conflict behaviors, and much more. Presenting new theoretical perspectives and tools to address today's most pressing issues, the Handbook of Social and Political Conflict examines contemporary issues such as political polarization, social ostracism, cancel culture, and information warfare. Contains in-depth analysis of critical contemporary issues such as

the role of technology artificial intelligence and media in modern conflict Addresses both adversarial and cooperative approaches to conflict resolution Incorporates cutting edge research and theoretical frameworks on contemporary social and political conflicts Offers practical approaches to fostering resilience peacebuilding and critical media literacy Whether examining the escalation of political tensions or exploring the potential for peacebuilding the Handbook of Social and Political Conflict is ideal for graduate and advanced undergraduate students in conflict resolution political science sociology and communication studies It is also an invaluable reference for professionals working in conflict management diplomacy international relations and social advocacy REBT with Diverse Client Problems and Populations Windy Dryden, Michael E. Bernard, 2019-02-26

This practice focused resource demonstrates effective uses of Rational Emotive Behavior Therapy methods and techniques in treating clients across various conditions settings and subgroups Client problems featured include both those often associated with REBT e g anxiety depression anger and others noted for complex presentations difficulties with engagement and impasses e g addictions suicidality psychosis Challenging treatment populations are covered as well including women couples families elder and pediatric clients clients with disabilities and sexual minorities These stimulating cases show how well the diversity of clients and their concerns is matched by the flexibility of techniques and applications within REBT In each chapter expert therapists Identify concepts in REBT especially suited to approaching the problem or population Outline best REBT practices in assessment and treatment of the client s Survey evidence based non REBT approaches most useful in complementing REBT Provide a brief case example representing appropriate REBT in action Assess their use of REBT in treating the problem or members of the population A bedrock text for REBT scholar practitioners REBT with Diverse Populations and Problems is a testimony to the continuing usefulness of the therapy and its adaptability as client populations emerge and as the contexts of client problems evolve in response to a demanding world

**Help is just a click away: Social Network Sites and Support for Parents of Children with Special Needs** I-Jung Grace Lu, 2019-07-15 Feeling alone searching for help searching for a sense of belonging and identity parents of children with special needs face various difficulties in their daily lives But help and support can be extremely hard to obtain for these parents since they are limited by resources location and time However things started to change when the World Wide Web began to connect people together We now live in an era when networks of power can be achieved and maintained through virtual connections on the internet where instant communication can be a form of power This book hopes to shed light on how the simple act of clicking can empower and contrariwise in some cases disempower parents to locate help and support This book also discusses the shifting role of these parents from those seeking help to those who provide help for other parents through the virtual networks they have built on various social networking sites When examining these issues this book takes into consideration the Asian concept of Face in which identity is an image agreed by society This book will offer insights for parents researchers and social workers as well as for anyone else who hopes to understand what is taking place

on the net and how to be involved in the networking process of providing support for people around you It allows the readers to see how support nowadays can really be just a click away

*Research Methods in Library and Information Science* Lynn Silipigni Connaway, Marie L. Radford, 2021-05-24 The seventh edition of this frequently adopted textbook features new or expanded sections on social justice research data analysis software scholarly identity research social networking data science and data visualization among other topics It continues to include discipline experts voices The revised seventh edition of this popular text provides instruction and guidance for professionals and students in library and information science who want to conduct research and publish findings as well as for practicing professionals who want a broad overview of the current literature Providing a broad introduction to research design the authors include principles data collection techniques and analyses of quantitative and qualitative methods as well as advantages and limitations of each method and updated bibliographies Chapters cover the scientific method sampling validity reliability and ethical concerns along with quantitative and qualitative methods LIS students and professionals will consult this text not only for instruction on conducting research but also for guidance in critically reading and evaluating research publications proposals and reports As in the previous edition discipline experts provide advice tips and strategies for completing research projects dissertations and theses writing grants overcoming writer s block collaborating with colleagues and working with outside consultants Journal and book editors discuss how to publish and identify best practices and understudied topics as well as what they look for in submissions

*Developing Financial Leadership in Small-Medium Businesses* Stewart Barnes, Malcolm Prowle, 2025-03-12 Many small medium enterprises SMEs are very small organisations comprising mainly single person and micro businesses but in the United Kingdom there are around 250 000 small medium businesses SMBs which are substantial businesses with turnovers of millions or tens of millions of pounds A key requirement for thriving SMBs is effective leadership throughout the organisation One crucial aspect which is often overlooked is that of financial leadership Financial management in SMBs is often seen as a technique based activity whereby finance staff have a limited role preparing annual financial accounts and disseminating financial information to key individuals in the organisation They may act reactively by responding to requests for specific financial information On the other hand strong financial leadership is proactive constructive and innovative and plays a critical role in ensuring that organisations stay financially adaptable and can build resilience and sustainability in today s fierce market The most effective financial leaders have a sophisticated and thorough understanding of their organisation s financial health and they make decisions grounded in financial realities to use that information in their communication to demonstrate the strategic connection between money mission and purpose This research volume asserts that understanding the importance of utilising robust financial management approaches and financial information in making business decisions and assessing business performance is the key This is especially relevant for SMBs as they can have a significant influence on countries economies It will therefore be of interest to researchers academics practitioners and

advanced students in the fields of leadership financial management entrepreneurship and strategy
