*Constructing a World* Martha Tuck Rozett,2012-02-01 Taking its title from Umberto Eco s postscript to *The Name of the Rose* the novel that inaugurated the New Historical Fiction in the early 1980s *Constructing the World* provides a guide to

the genre's defining characteristics. It also serves as a lively account of the way Shakespeare, Marlowe, Raleigh, Queen Elizabeth I, and their contemporaries have been depicted by such writers as Anthony Burgess, George Garrett, Patricia Finney, Barry Unsworth, and Rosalind Miles. Innovative historical novels written during the past two or three decades have transformed the genre, producing some extraordinary bestsellers as well as less widely read serious fiction. Shakespearean scholar Martha Tuck Rozett engages in an ongoing conversation about the genre of historical fiction, drawing attention to the metacommentary contained in Afterwords or Historical Notes, the imaginative reconstruction of the diction and mentality of the past, the way Shakespearean phrases, names, and themes are appropriated, and the counterfactual scenarios writers invent as they reinvent the past.

Crete Barry Unsworth, 2011-06-15 His keen understanding of history and legend illuminates his visits. Publishers Weekly: A vivid picture of the island. Associated Press: It is hard to think of anywhere on earth where so many firsts and mosts are crammed into a space so small. Barry Unsworth writes of the isle of Crete, birthplace of the Greek god Zeus, the Greek alphabet, and the first Greek laws, as well as the home of 15 mountain ranges and the longest gorge in Europe. This land is indisputably unique. And since ancient times, its inhabitants have maintained an astonishing tenacity and sense of national identity, even as they suffered conquest and occupation by Romans, Byzantines, Arabs, Venetians, Ottoman Turks, and Germans. Throughout this evocative book, now in trade paper, Unsworth describes the incredible physical and cultural proportions of the island in history, myth, and reality. Moving and artful, *Crete* gives readers a comprehensive picture and rich understanding of this complex and indeed almost magical world of Mediterranean wonders. With the same keen eye and clear, eloquent prose that distinguishes his acclaimed historical novels, Barry Unsworth delivers his readers a two-fold traveler's reward: at once a wonderfully detailed panorama of Crete's many layers of history and an evocative portrait of an island almost literally larger than life.

*The Big Day* Barry Unsworth,2002-02-17 It was a big day for Cuthbertson's Regional School and it would go off like a bomb Donald Cuthbertson prided himself on being a model for his students and teachers but he had lately begun to lose his focus Degree Day is approaching along with a birthday party for his wife Lavinia who is not going quietly into middle age Her lavish costume party provides the revelers with a darkly comic resolution to romantic dalliance and political intrigue The Songs of the Kings Barry Unsworth,2017-11-14 A brilliant retelling of an ancient myth The Songs of the Kings offers up a different narrative of the Trojan War one devoid of honor wherein the mission to rescue Helen is a pretext for plundering Troy of its treasures As the ships of the Greek fleet find themselves stalled in the straits at Aulis waiting vainly for the gods to deliver more favorable winds Odysseus cynically advances a call for the sacrifice of Agamemnon's daughter Calchas the diviner interprets events for the reader and a Homer like figure called the Singer is persuaded to proclaim a tale of a just war to hide the corrupt motivations of those in power But couched within the Singer's spin is a message at once timely and timeless There is always another story But it is the stories told by the strong the songs of kings that are believed in the end
