Management and Resilience of African Organizations in Times of Crisis Shani D. Carter,Sara Bensal,2024-05-16

Businesses in African countries continued to face crises due to COVID 19 supply chain and climate change Governments can take steps to increase businesses resilience by supporting and promoting sustainable development In turn businesses can increase their resilience by promoting the resilience of their employees This book explores the current state of management and resilience in African nations and discusses issues that revolve around its reciprocal impact on global business government and society Featuring select papers from the 4th Annual Current Business Issue in African Countries CBIAC Conference held in Agadir Morocco in 2023 this book focuses on the synergies between climate change supply chain and sustainable development particularly post pandemic featuring content from business and NGO leaders faculty and students The impetus of the CBIAC conference was the discussions held at the United Nations Conference on Trade and Development UNCTAD held in Nairobi Kenya in July 2016 and in Bridgetown Barbados and Geneva in October The goal of the conference is to create long term collaborative relationships between business leaders faculty researchers students and community members from different African nations **Intercultural Management** Dirk Holtbrügge,2022-02-25 This textbook explores

the reasons for intercultural differences and their effects on the behavior of individuals and organizations within the context of management The text embraces the presence of ambiguity and complexity and encourages critical thinking when it comes to intercultural relations in order to avoid ethnocentrism stereotyping and prejudice as well as overly simplistic solutions Integrating findings from management but also the humanities and social sciences as well as politics and popular culture intercultural management is understood as a phenomenon that transcends disciplinary boundaries and includes questions around identity constructions power relations and ethics This makes intercultural management a fascinating and rewarding subject to study Throughout the author encourages an analytical approach to intercultural management built upon strong methodological foundations and draws on examples from a wide range of different contexts and cultures to help reflectively

translate research and concepts into practice in a way that is lively and engaging This textbook is essential reading for students taking university courses related to intercultural management Lecturers can visit the companion website to access a Teaching Guide and PowerPoint slides that can be adapted and edited to suit teaching needs Dirk Holtbr gge is Professor of International Management at the School of Business Economics and Society Friedrich Alexander University Erlangen N rnberg Germany **A Strategic and Tactical Approach to Global Business Ethics, Second Edition** Lawrence A.

Beer,2015-01-12 The inclusion of ethically driven elements into the strategic planning process of multinational corporations MNCs is an emerging consideration in the modern era of globalization Firms pursuing cross border activities in any capacity and to whatever degree or scale are increasingly coming into contact with differences in morally applied decision making that affects their operational success and sustainability The choices made require the use of clear and unambiguous codes of conduct for embedded managers abroad The implementation of a properly administered code coupled with a program of corporate social responsibility CSR can add value to a company while its misapplication or exclusion can diminish value

ICMLG2015-The 3rd International Conference on Management, Leadership and Governance Coral Ingley and James Lockhart,2015-03-12 The conference committee encourages contributions on this wide range of topics through the use of a variety of rigorous approaches including theoretical and empirical papers employing qualitative quantitative and critical methods Action based research case studies and work in progress posters are enthusiastically welcomed PhD research proposals for roundtable discussions practitioner contributions and product demonstrations based on the conference themes are also invited **A Strategic and Tactical Approach to Global Business Ethics** Lawrence A. Beer,2010-04-18 Ethics is a compendium of moral interpretations steeped in a multitude of religious and philosophical applications It is subject to various cultural intrusions as well as independent personal interpretation The study of international business and all related managerial disciplines usually includes ethical content The majority of global management textbooks offer a chapter on ethics and its often misaligned cousin social responsibility They tend to cover the subject matter by stating the problem and then reciting laws enacted to combat social injustice as well as including philosophical theories intended to provide generic direction This iceberg approach a topical view of the issues leaves the average MBA student along with executive cadre longing for more specific guidelines
