Cerepaka, 2018-05-12 Off to war Today was supposed to be my day off from training but when a group of vampires attack me on my way home from church I'm forced to defend myself Without my silver sword that is Luckily an amazingly handsome sorcerer comes to my rescue only to inform me of an impending war brewing between sorcerers and vampires He says someone is trying to provoke both sides into war a war neither side will win and that he needs my help to stop it I'd love to but I soon discover that whoever is trying to start this war doesn't just want to start a war but also wants me on their side Now I have to not only stop this war before it destroys both sorcerers and vampires alike but also keep myself from being seduced by the dark side And that of course is far easier said than done

Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God's work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God's urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social

sciences have to offer urban mission including ethnographic and demographic studies and they focus on the particular issues and needs of urban leadership including a plan for developing and mentoring leaders while equipping the laity for ministry in the city This is the essential text for bringing God's kingdom to the city through the people of God *The Vampire Sorceress Omnibus (urban fantasy box set)* T.L. Cerepaka,2018-07-28 Contains all three Vampire Sorceress urban fantasy novels *The Vampire Sword* *The Vampire War* and *The Vampire Flame* *Suddenly Single* Shana Burton,2008-01-01 Vashti Hunter knew that something was wrong when she received her fiancé's nervous phone call the night before their wedding but she was too distracted by visions of wedding grandeur to listen to her instincts Instead what was supposed to be the happiest day of the 26 year old's life quickly turns into the most humiliating when she is left at the altar After battling a fierce bout of depression Vashti regroups and begins dating again A string of failed relationship attempts help her figure out not only what she does not want in a mate but who she is It's only after she evolves into the person she wants to be that she finds the man who is worthy of her love Because of their 20 year age difference Vashti's new relationship is met with opposition from her family friends and especially his daughter who resents Vashti's presence in her father's life Their relationship is further complicated when Vashti's long lost fiancé returns remorsefully Will Vashti find him worthy of a second chance *Urban Apologetics* Christopher W. Brooks,2014-04-29 Much of the New Testament was written in urban settings in which the Christian communities had to deal head on with issues such as race equality justice sexuality money and economics But much of today's apologetics engagement with the questions that people are asking about Christianity come from suburban churches and academic studies Urban believers those who live and minister in America's inner cities often face unique issues not often addressed by the larger Christian community These questions aren't neat or easy to answer but need to be addressed by applying biblical truth in the culture and challenges of urban life Author Chris Brooks has ministered for years in the urban environment as well as received extensive theological training In *Urban Apologetics* he seeks to connect the riches of the Christian apologetic tradition with the issues facing cities such as poverty violence and broken families He brings an urban rhythm and sensitivity to the task of demonstrating the relevance of faith and the healing truth that Christ provides *The Christian World* ,1870 *The Road to Salvation "Because With God We Prosper & Without Him We Fail!!!"* Anthony Antolic,2015-07-04 You may have noticed a steady trend of moral decline religious indifferents increasing crime as well as unemployment Could the Supreme Court's ruling that defines the First Amendment's separation of Church and State clause in 1972 have contributed to these trends Is it possible that many of the human trends are being intentionally designed to corrupt the American understanding of freedom If so who benefits *Urban Impact* John L. Religious Entrepreneurism in China's Urban House Churches Li Ma, 2019-06-27 This book offers a unique historical documentation of the development of the ambitious religious entrepreneurship by leaders of the Early Rain church and later Western China Presbytery leadership in an effort to gain social influence in China through local institution building and global public image management It unravels the social processes of how this Christian community with a public image of defending religious freedom in China was undermined by an internal loss of moral authority Based on publicly available texts from Chinese social media that aren't readily available in the West as well as in depth interviews it is framed by existing scholarship in social theories of the public sphere charismatic domination in social transition and the role of power in organizational behaviour These churches stories show how Christianity which has long been politically marginalized in communist China has not only adapted and challenged the socio political status quo but how it was also ironically shaped by the political culture This is an insightful and critical ethnographic study of one of modern China's most famous house churches As such it will be of great interest to scholars of Religion in China as well as those working in Religious Studies Asian studies Chinese studies and Mission Studies more generally *The Vampire Sword (free urban fantasy)* T.L.
