Me Being Me Is Exactly as Insane as You Being You Todd Hasak-Lowy, 2015-03-24 A heartfelt humorous story of a teen boy's impulsive road trip after the shock of his lifetime told entirely in lists Darren hasn't had an easy year There was his parents divorce which just so happened to come at the same time his older brother Nate left for college and his longtime best friend moved away And of course there's the whole not having a girlfriend thing Then one Thursday morning Darren's dad shows up at his house at 6 a m with a glazed chocolate doughnut and a revelation that turns Darren's world inside out In full freakout mode Darren in a totally un-Darren move ditches school to go visit Nate Barely twenty-four hours at Nate's school makes everything much better or much worse Darren has no idea It might somehow be both All he knows for sure is that in addition to trying to figure out why none of his family members are who they used to be he's now obsessed with a strangely amazing girl who showed up out of nowhere but then totally disappeared Told entirely in lists Todd Hasak-Lowy's debut YA novel perfectly captures why having anything to do with anyone including yourself is 1 painful 2 unavoidable 3 ridiculously complicated 4 possibly hopefully the right thing after all

Illinois Reading Council Journal, 2015 *Sovereigns The New Beginning* Markain White, 2012-01-13 In the isolated town of Coven's Hollow things have always been simple The children played all day and the adults worked and took care of them The teenagers however were caught in their own world of parties relationships

and everything else that goes with being young adults Now for a destined group of teenagers things are going to become even more difficult As the New Year is brought in an ancient destiny unfolds that is shared between the teens Four groups of friends who barely know each other are whisked away and told that they are children of a prophecy long ago foretold and they are charged with the task of battling demons and monsters of evil and magnificent power Some readily embrace their destiny some are hesitant to even imagine the meaning of it and some fall away from what they are meant to do Their teachers and mentors the Watchers try their best to help the teens learn and work together but at times it seems impossible Working together with people they barely know and understand or have been in heated rivalry with doesn't make their task any easier Relationships are tested lines are crossed and no one is safe from the stretching arms of evil Will the heroes be able to handle the pressure that comes with being children of destiny and modern day teenagers especially when they come to realize their worst enemies are themselves Follow our heroes on their journey to save their friends family and the universe
