Medea Plays For Performance Series:

Medea Euripides, 2000-08-29 Medea whose magical powers helped Jason and the Argonauts take the Golden Fleece remains one of the strongest female characters ever to appear on stage In the play she kills her own children Plays for Performance Series *Greek Tragedies as Plays for Performance* David Raeburn, 2016-11-30 This is a unique introduction to Greek tragedy that explores the plays as dramatic artifacts intended for performance and pays special attention to construction design staging and musical composition Written by a scholar who combines his academic understanding of Greek tragedy with his singular theatrical experience of producing these ancient dramas for the modern stage Discusses the masters of the genre Aeschylus Sophocles and Euripides including similarities differences the hybrid nature of Greek tragedy the significance that each poet attaches to familiar myths and his distinctive approach as a dramatic artist Examines 10 plays in detail focusing on performances by the chorus and the 3 actors the need to captivate audiences attending a major civic and religious festival and the importance of the lyric sections for emotional effect Provides extended dramatic analysis of important Greek tragedies at an appropriate level for introductory students Contains a companion website available upon publication at www.wiley.com/go/raeburn with 136 audio recordings of Greek tragedy that illustrate the beauty of the Greek language and the powerful rhythms of the songs *Public and Performance in the Greek Theatre* Peter D. Arnott, 2002-09-11 Peter Arnott discusses Greek drama not as an antiquarian study but as a living art form He removes the plays from the library and places them firmly in the theatre that gave them being Invoking the practical realities of stagecraft he illuminates the literary patterns of the plays the performance disciplines and the audience responses Each component of the productions audience chorus actors costume speech is examined in the context of its own society and of theatre practice in general with examples from other cultures Professor Arnott places great emphasis on the practical staging of Greek plays and how the buildings themselves imposed particular constraints on actors and writers alike Above all he sets out to make practical sense of the construction of Greek plays and their organic relationship to their original setting *The Oxford Handbook of Greek Drama in the Americas* Kathryn Bosher, Fiona Macintosh, Justine McConnell, Patrice Rankine, 2015-11-05 The Oxford Handbook of Greek Drama in the Americas is the first edited collection to discuss the performance of Greek drama across the continents and archipelagos of the Americas from the beginning of the nineteenth century to the present The study and interpretation of the classics have never been restricted by geographical or linguistic boundaries but in the case of the Americas long colonial histories have often imposed such boundaries arbitrarily This volume tracks networks across continents and oceans and uncovers the ways in which the shared histories and practices in the performance arts in the Americas have routinely defied national boundaries With contributions from classicists Latin American specialists theatre and performance theorists and historians the Handbook also includes interviews with key writers including Nobel Laureate Derek Walcott Charles Mee and Anne Carson and leading theatre directors such as Peter Sellars Carey Perloff Hector Daniel

Levy and Heron Coelho This richly illustrated volume seeks to define the complex contours of the reception of Greek drama in the Americas and to articulate how these different engagements at local national or trans continental levels as well as across borders have been distinct both from each other and from those of Europe and Asia Ancient Theatre and Performance Culture around the Black Sea David Braund, Edith Hall, Rosie Wyles, 2019-11-28 Presents a landmark study combining key specialists around the region with well established international scholars from a wide range of disciplines

Touring Performance and Global Exchange 1850-1960 Gilli Bush-Bailey, Kate Flaherty, 2021-12-30 This collection uncovers connections and coincidences that challenge the old stories of pioneering performers who crossed the Atlantic and Pacific oceans from the mid nineteenth to the mid twentieth century It investigates songlines drama opera music theatre dance and circus removing traditional boundaries that separate studies of performance and celebrating difference and transformation in style intention and delivery Well known or obscure travelling performers faced dangers at sea and hazardous journeys across land Their tracks made in pursuit of fortune and fame intersected with those made by earlier storytellers in search for food Touring Performance and Global Exchange takes a fresh look at such tracks the material remains demonstrating that moving performance does far more than transfer repertoires and people it transforms them Touring performance has too often been conceived in diasporic terms as a fixed product radiating out from a cultural centre This collection maps different patterns ones that comprise reversed flows cross currents and continually proliferating centres of meaning in complex networks of global exchange This collection will be of great interest to scholars and students in theatre music drama studies and cultural history **How Does Disability Performance Travel?** Christiane Czymoch, Kate Maguire-Rosier, Yvonne Schmidt, 2023-12-12 This edited collection investigates the myriad ways in which disability

performance travels in a globalized world Disability arts festivals are growing in different parts of the world theatre and dance companies with disabled artists are increasingly touring and collaborating with international partners At the same time theatre spaces are often not accessible and the necessity of mobility excludes some disabled artists from being part of an international disability arts community How does disability performance travel who does not travel and why What is the role of funding and producing structures disability arts festivals and networks around the world How do the logics of international co producing govern the way in which disability art is represented internationally Who is excluded from being part of a touring theatre or dance company and how can festivals conferences and other agents of a growing disability culture create other forms of participation which are not limited to physical co presence This study will contextualize disability aesthetics arts media and culture in a global frame yet firmly rooted in its smaller national state and local community settings and will be of great interest to students and scholars in the field *Theatre on the Edge* Mel Gussow, 1998 Applause Books Compiled by Mel Gussow this collection of sideshow American and international theatre includes Deeply American Roots Sam Shepard The Man Who Made Theatre Ridiculous Charles Ludlam From the City Streets

triggers for origins and authenticity as well as to the many uncertainties such as homelessness violence and loss of identity with which it engages The films discussed include not only critically recognized films by directors such Michael Cacoyannis Jules Dassin and Pier Paolo Pasolini but also more recent films by Woody Allen Tony Harrison Werner Herzog and Lars von Trier Moreover it also considers earlier and largely neglected films of cinematic traditions which lie outside Hollywood

Staging of Classical Drama around 2000 Alena Sarkissian, Pavlína N. Šípová, 2009-03-26 Classical drama on the modern stage as a cultural and political phenomenon is scholarly trailed since the 1950s and 60s and intensified in the last third of the twentieth century The evidence is being extensively documented pioneered by Walton 1987 and McDonald 1992 and subsequently developed by collaborative research projects which include published databases It is clear from the work of these projects that performance of classical drama is a major feature in all types of theatre avant garde and experimental student international and fringe epic and classical commercial popular and canonical This means that it is closely intertwined with the politics of locale environment and geography as well as of language translation and culture Each of the essays has a specialised contribution to make However the total impact of the whole section will be even greater than the sum of the parts because the authors not only intersect in their discussions of common concerns in modern performance of ancient drama but also provide case studies that will add to the knowledge base and critical acumen of everyone working in the field
