*Hazel Brannon Smith* Jeffery B. Howell,2017-03-22 Hazel Brannon Smith 1914 1994 stood out as a prominent white newspaper owner in Mississippi before during and after the civil rights movement As early as the mid 1940s she earned state and national headlines by fighting bootleggers and corrupt politicians Her career was marked by a progressive ethic and she wrote almost fifty years of columns with the goal of

promoting the health of her community In the first half of her career she strongly supported Jim Crow segregation Yet in the 1950s she refused to back the economic intimidation and covert violence of groups such as the Citizens Council The subsequent backlash led her to being deemed a social pariah and the economic pressure bankrupted her once flourishing newspaper empire in Holmes County Rejected by the white establishment she became an ally of the black struggle for social justice Smith s biography reveals how many historians have miscast white moderates of this period Her peers considered her a liberal but her actions revealed the firm limits of white activism in the rural South during the civil rights era While historians have shown that the civil rights movement emerged mostly from the grass roots Smith s trajectory was decidedly different She never fully escaped her white paternalistic sentiments yet during the 1950s and 1960s she spoke out consistently against racial extremism This book complicates the narrative of the white media and business people responding to the movement s challenging call for racial justice

Hale,2022-11-29 The story of activist youth in America is usually framed around the Vietnam War the counterculture and college campuses focusing primarily on college students in the 1960s and 1970s But a remarkably effective tradition of Black high school student activism in the civil rights era has gone understudied In 1951 students at R R Moton High School in rural Virginia led a student walkout and contacted the law firm of Hill Martin and Robinson in Richmond Virginia to file one of the five pivotal court cases that comprised the Brown v Board of Education decision In 1960 twenty four Burke High School students in Charleston South Carolina organized the first direct action nonviolent protest in the city at the downtown S H Kress department store Months later in the small town of McComb Mississippi an entire high school walked out in protest of the conviction of a student who sat in on a local Woolworth lunch counter in 1961 guiding the agenda for the historic Freedom Summer campaign of 1964 *A New Kind of Youth* brings high school activism into greater focus illustrating how Black youth supported liberatory social and political movements and inspired their elders across the South     Race, Labor, and Violence in the Delta Michael Pierce,Calvin White,2022-05-30 *Race Labor and Violence in the Delta* examines the history of labor relations and racial conflict in the Mississippi Valley from the Civil War into the late twentieth century This essay collection grew out of a conference marking the hundredth anniversary of one of the nation s deadliest labor conflicts the 1919 Elaine Massacre during which white mobs ruthlessly slaughtered over two hundred African Americans across Phillips County Arkansas in response to a meeting of unionized Black sharecroppers The essays here demonstrate that the brutality that unfolded in Phillips County was characteristic of the culture of race and labor based violence that prevailed in the century after the Civil War They detail how Delta landowners began seeking cheap labor as soon as the slave system ended securing a workforce by inflicting racial terror eroding the Reconstruction Amendments in the courts and obstructing federal financial relief efforts The result was a system of peonage that continued to exploit Blacks and poor whites for their labor sometimes fatally In response laborers devised their own methods for sustaining themselves and their communities forming unions calling strikes relocating and occasionally operating outside the law By shedding light on the broader context of the Elaine Massacre *Race Labor and Violence in the Delta* reveals that the fight against white supremacy in the Delta was necessarily a fight for better working conditions fair labor practices and economic justice

**Black Power Music!** Reiland Rabaka,2022-06-13 *Black Power Music* Protest Songs Message Music and theBlack Power Movement critically explores the soundtracks of the Black Power Movement as forms of movement music That is to say much

of classic Motown soul and funk music often mirrored and served as mouthpieces for the views and values as well as the aspirations and frustrations of the Black Power Movement Black Power Music is also about the intense interconnections between Black popular culture and Black political culture both before and after the Black Power Movement and the ways in which the Black Power Movement in many senses symbolizes the culmination of centuries of African American politics creatively combined with and ingeniously conveyed through African American music Consequently the term Black Power music can be seen as a code word for African American protest songs and message music between 1965 and 1975 Black Power music is a new concept that captures and conveys the fact that the majority of the messages in Black popular music between 1965 and 1975 seem to have been missed by most people who were not actively involved in or in some significant way associated with the Black Power Movement

**Nelson Rockefeller's Dilemma** Marsha E. Barrett, 2024-08-15 Nelson Rockefeller's Dilemma reveals the fascinating and influential political career of the four time New York State governor and US vice president Marsha E Barrett's portrayal of this multi faceted political player focuses on the eclipse of moderate Republicanism and the betrayal of deeply held principles for political power Although never able to win his party's presidential nomination Rockefeller's tenure as governor was notable for typically liberal policies infrastructure projects expanding the state's university system and investing in local services and the social safety net As the Civil Rights movement intensified in the early 1960s Rockefeller envisioned a Republican Party recommitted to its Lincolnian heritage as a defender of Black equality But the party's extreme right wing encouraged by its successful outreach to segregationists before and after the nomination of Barry Goldwater pushed the party to the right With his national political ambitions fading by the late 1960s Rockefeller began to tack right himself on social and racial issues refusing to endorse efforts to address police brutality accusing without proof Black welfare mothers of cheating the system or introducing harsh drug laws that disproportionately incarcerated people of color These betrayals of his own ideals did little to win him the support of the party faithful and his vice presidency ended in humiliation rather than the validation of moderate ideals An in depth insightful and timely political history Nelson Rockefeller's Dilemma details how the standard bearer of moderate Republicanism lost the battle for the soul of the Party of Lincoln leading to mainlining of white grievance populism for the post civil rights era

The American South William J. Cooper Jr., Thomas E. Terrill, Christopher Childers, 2016-11-17 In The American South A History Fifth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South This volume contains updated
