**Major note:** our book compares *India, India's People* plus various countries and continents as they are. It's interestingly clear but doesn't appeal and is not as typical for Indian history. The concluding line, "India's people, certainly, certainly, we will never be Indians with some of those who will never be Indians more."

As this website design project unfolded, however, it often seemed as if the Internet itself were being reinvented. Every time we had an idea, we were told that it had already been done. Then, in 1999, just before we had been informed we had the opportunity to build our future,
