Eadie, 2009-05-15 Highlights the most important topics issues questions and debates affecting the field of communication in the 21st Century Stories of Sports Crystal L. Beach, Katie Shepherd Dredger, Katherin Garland, Cathy Leogrande, 2021-03-12 Stories of Sports Critical Literacy in Media Production Consumption and Dissemination discusses how media demonstrates privilege policing stereotypes confirmation bias and objectification in a world where the role of athletics in Western society speaks to privilege and power Contributors use a critical media lens to analyze texts including newspapers magazines film television social media and sportscasts to demonstrate to readers the ways in which sports stories reinforce or disrupt patterns of power and the ways that power is enacted This book questions the role of the sports industrial complex in our society and argues that while healthy competition and physical health can come from bodily exertion corruption can contaminate these benefits with the wielding of influence and the acquisition of cultural and financial capital Contributors examine how the ways that resources are allocated the coverage of certain sports and athletes and how viewers view competitive arenas speak to power and privilege in ways that can affect both athletes and athletic stakeholders highlighting the importance of critically examining sports media Scholars of media studies and sports will find this book particularly useful **Lettering Young Readers in the Dutch Enlightenment** Feike Dietz, 2021-05-22 This book presents a rigorous hugely informative analysis of the early history of Dutch children s literature pedagogical developments and emerging family formations Thoroughly researched Dietz s study will be essential for historians of eighteenth century childhood education and children s books both in the Dutch context and more widely Matthew Grenby Newcastle University UK A rich informative well documented and effectively illustrated discussion of the ways Dutch eighteenth century educators tried to transform youth into responsible readers It does so in a wide international context and masterfully connects this process to the radical politicization and de politicization of Dutch society in the revolutionary period Wijnand W Mijndhardt formerly of Utrecht University the Netherlands and the University of California at Los Angeles USA This book explores how children s literature and literacy could at once regulate and empower young people in the eighteenth century Dutch Republic Rather than presenting the history of childhood as a linear story of increasing agency it suggests that we view it as a continuous struggle with the impossibility of full agency for young people This volume demonstrates how this struggle informed the production of books in a historical context in which the development of independent youths was high on the political agenda In close interaction with international children s literature markets Dutch authors developed new

strategies to make the members of young generations into capable readers and writers equipped to organize their own minds and bodies properly and to support a supposedly declining fatherland
