Mediated Moms Heather L Hundley:

Mothering, Community, and Friendship Essah Díaz, Dannabang Kuwabong, Dorsía Smith Silva, 2022-04-04 Mothers Community and Friendship is an anthology that explores the complexities of mothering motherhood communities and friendship from across interdisciplinary and multidisciplinary perspectives The chapters in this text not only examine how communities and friendship shape and influence the various spectrums of motherhood but also analyze how communities and friendship are necessary for mothers Through personal reflective critical essays and ethnographies this collection situates the ways mothers are connected to communities and how these relationships forms such as in mothering groups and maternal friendships By calling attention to these central and current topics Mothers Community and Friendship represents how communities and friendship become means of empowerment for mothers Maternal Narratives in Public Contexts Catherine A. Dobris, Rachel Davidson, Kim White-Mills, 2024-12-15 Maternal Narratives in Public Contexts Shaping Perspectives and Enacting Identities brings together critical research on the construction and enactment of mothering and motherhood in public spheres The book is divided into two parts in the first part authors examine how prevailing ideals of motherhood influence twenty first century culture by exploring iterations of maternal identity in various media forms from Dr Spock s self help guide to film and small screen entertainment In the second part the authors investigate how tropes of motherhood manifest and operate in academia the workplace and in political spheres Ultimately this book explores how maternal identities are both formed and articulated in public discourse arguing that rhetorical influences inform the ways in which we define recognize and enact maternal identities and the sociocultural ramifications that result within communication contexts Scholars of communication media studies film and television studies cultural studies rhetoric and women s and gender studies will find this book of particular interest **Interrogating Gendered Pathologies** Erin Clark, Michelle F. Eble, 2020-09-01 Interrogating Gendered Pathologies points out and critiques unjust patterns of pathology Erin A Frost and Michelle F Eble assemble a transdisciplinary approach from to technologies rhetorics philosophies epistemologies and biomedical data to consider the effects of biomedicine s gendered norms on people s lives Using a range of complementary and intersectional theoretical approaches contributors ask questions about rhetoric s role in healthcare and how it differs depending on patient embodiment and the ways nonnormative bodies are pathologized These chapters engage common narratives about the ways in which gender in healthcare is secondary and highlights the stories of people who have battled to prioritize their own bodies through extraordinary difficulties Employing a multiplicity of voices the book represents a number of different perspectives on what it might look like to return health and medical data to embodied experience to consider the effects of gendered and intersectional biomedical norms on lived realities and to subvert the power of institutions in ways that move us toward biomedical justice This collection contributes to the burgeoning field of health and medical rhetorics by rhetorically and theoretically intervening in what are often seen as objective and neutral decisions related to the body and to

scientific and medical data about bodies Interrogating Gendered Pathologies will be of interest to feminist scholars in the field of rhetoric and writing studies specifically those in the rhetorics of health and medicine as well as scholars of technical communication feminist studies gender studies technoscience studies and bioethics Contributors Leslie Anglesey Mary Assad Beth Boser Lillian Campbell Marleah Dean Lori Beth De Hertogh Leandra Hernandez Elizabeth Horn Walker Caitlin Leach Jordan Liz Miriam Mara Cathryn Molloy Kerri Morris Maria Novotny Sage Perdue Colleen Reilly

The Absent Mother in the Cultural Imagination Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion social and cultural change as well as issues of power and authority within the family str m seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography romances folktales plays novels children s literature and graphic novels as well as film and television This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an on going cultural conversation that spans the centuries resulting in an innovative text that will be of great interest to all scholars of gender feminist and media studies

Monstrous Mothers: Troubling Tropes Andrea O'Reilly, Abigail L. Palko, 2021-08-01 Motherhood is one of those roles that assumes an almost outsized cultural importance in the significance we force it to bear It becomes both the source of and the repository for all kinds of cultural fears Its ubiquity perhaps makes it this perfect foil After all while not everyone will become a mother everyone has a mother When we force motherhood to bear the terrors of what it means to be human we inflict trauma upon those who mother A long tradition of bad mothers thus shapes contemporary mothering practices and the way we view them including the murderous Medea of Greek mythology the power hungry Queen Gertrude of Hamlet and the emasculating mother of Freud s theories Certainly there are mother who cause harm inflict abuse act monstrously Mothers are human But mothers are also a favourite and easy scapegoat The contributors to this collection explore a multitude of interdisciplinary representations of mothers that through their very depictions of bad mothering challenge the tropes of monstrous mothering that we lean on revealing in the process why we turn to them Chapters in Monstrous Mothers Troubling Tropes explore literary cinematic and real life monstrous mothers seeking to uncover social sources and results of these monstrosities

[The Routledge Companion to Motherhood](#) Lynn O'Brien Hallstein, Andrea O'Reilly, Melinda Giles, 2019-11-04 Interdisciplinary and intersectional in emphasis the Routledge Companion to Motherhood brings together essays on current intellectual themes issues and debates while also creating a foundation for future scholarship and study as the field of Motherhood Studies continues to develop globally This Routledge Companion is the first extensive collection on the wide ranging topics themes issues and debates that ground the intellectual work being done on motherhood Global in scope and including a range of disciplinary perspectives including anthropology literature communication studies sociology women s and gender studies history and economics this volume

introduces the foundational topics and ideas in motherhood delineates the diversity and complexity of mothering and also stimulates dialogue among scholars and students approaching from divergent backgrounds and intellectual perspectives This will become a foundational text for academics in Women s and Gender Studies and interdisciplinary researchers interested in this important complex and rapidly growing topic Scholars of psychology sociology or public policy and activists in both university and workplace settings interested in motherhood and mothering will find it an invaluable guide *Single Parents* Berit Åström, Disa Bergnehr, 2021-05-29 This edited volume addresses how single mothers and fathers are represented in novels self help literature daily newspapers film and television as well as within their own narratives in interviews on social media With proportions varying between countries the number of single parents has been increasing steadily since the 1970s in the Western world Contributions to this volume analyse how various societies respond to these parents and family forms Through a range of materials methodologies and national perspectives chapters make up three sections to cover single mothers single fathers and solo mothers single women who became parents through assisted reproductive technologies The authors reveal that single parenthood is divided along the lines of gender and socioeconomic status with age sexuality and the reason for being a single parent coming into play Chapter 11 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) Maternal Abandonment and Queer Resistance in Twenty-First-Century Swedish Literature Jenny Björklund, 2021-06-03 This book questions why so many mothers leave their families in twenty first century Swedish literature analyzing literary representations of maternal abandonment in relation to sociopolitical discourses The volume draws on a queer theoretical framework in order to highlight norm critical dimensions failure and resistance in literature about motherhood Jenny Björklund argues that novels about mothers who leave can be understood as ways to problematize and challenge Swedish branded values like gender equality and a progressive family politics that promotes ideals of involved parenthood the nuclear family and pronatalism The book also raises questions beyond the Swedish context about maternal ambivalence family politics and privilege and discusses how literature can work as resistance and provide alternatives to the current social order Heading Home Shani Orgad, 2019-01-08 Women in today s advanced capitalist societies are encouraged to lean in The media and government champion women s empowerment In a cultural climate where women can seemingly have it all why do so many successful professional women lawyers financial managers teachers engineers and others give up their careers after having children and become stay at home mothers How do they feel about their decision and what do their stories tell us about contemporary society *Heading Home* reveals the stark gap between the promise of gender equality and women s experience of continued injustice Shani Orgad draws on in depth personal and profoundly ambivalent interviews with highly educated London women who left paid employment to take care of their children while their husbands continued to work in high powered jobs Despite identifying the structural forces that maintain gender inequality these women still struggle to articulate their decisions outside the narrow cultural ideals that

devalue motherhood and individualize success and failure Orgad juxtaposes these stories with media and policy depictions of women work and family detailing how even as their experiences fly in the face of fantasies of work life balance and marriage as an egalitarian partnership these women continue to interpret and judge themselves according to the ideals that are failing them Rather than calling for women to transform their feelings and behavior Heading Home argues that we must unmute and amplify women s desire disappointment and rage and demand social infrastructure that will bring about long overdue equality both at work and at home

Homeland Maternity Natalie Fixmer-Oraiz,2019-03-02 In US security culture motherhood is a site of intense contestation both a powerful form of cultural currency and a target of unprecedented assault Linked by an atmosphere of crisis and perceived vulnerability motherhood and nation have become intimately entwined dangerously positioning national security as reliant on the control of women s bodies Drawing on feminist scholarship and critical studies of security culture Natalie Fixmer Oraiz explores homeland maternity by calling our attention to the ways that authorities see both non reproductive and overly reproductive women s bodies as threats to social norms and thus to security Homeland maternity culture intensifies motherhood s requirements and works to discipline those who refuse to adhere Analyzing the opt out revolution public debates over emergency contraception and other controversies Fixmer Oraiz compellingly demonstrates how policing maternal bodies serves the political function of securing the nation in a time of supposed danger with profound and troubling implications for women s lives and agency

The Hallmark Channel Emily L. Newman,Emily Witsell,2020-04-29 Originally known as a brand for greeting cards Hallmark has seen a surge in popularity since the early 2010s for its made for TV movies and television channels the Hallmark Channel and its spinoffs Hallmark Movie Channel now Hallmark Movies Mysteries and Hallmark Drama Hallmark s brand of comforting often sentimental content includes standalone movies period and contemporary television series and mystery film series that center on strong intuitive female leads By creating reliable and consistent content Hallmark offers people a calming retreat from the real world This collection of new essays strives to fill the void in academic attention surrounding Hallmark From the plethora of Christmas movies that are released each year to the successful faith based scripted programming and popular cozy mysteries that air every week there is a wealth of material to be explored Specifically this book explores the network s problematic relationship with race the dominance of Christianity and heteronormativity the significance placed on nostalgia and the hiring and re hiring of a group of women who thrived as child stars

Gilmore Girls Lara C. Stache,Rachel Davidson,2019-09-09 No longer just a cult classic Gilmore Girls is a cultural staple for TV fans Airing from 2000 2007 Gilmore Girls focused on the relationship between thirty something single mom Lorelai and her teenage daughter Rory While exploring themes of family romantic love friendship and life s choices this quirky show featured fast paced dialogue funny quips and a steady stream of pop culture references Created by Amy Sherman Palladino The Marvelous Mrs Maisel Gilmore Girls served as a launching pad for the careers of its stars including Lauren Graham Melissa McCarthy Alexis Bledel Jared

Padalecki and Milo Ventimiglia The series popularity was so enduring that ten years after its initial run a revival season was released on Netflix In *Gilmore Girls A Cultural History* Lara C Stache and Rachel Davidson offer an engaging analysis of the popular series The authors examine how the show serves as a representation of American culture and politics reflects complexity within multiple mother daughter dynamics and employed literature movies and music to drive the dialogue and plot They also explore how the choices made in the series reflect social values of the time reinforce and challenge traditional ideas of gender and feminism and unpack the cultural significance of this endearing series As both a mirror and a construction of contemporary American culture the series achieved critical accolades and became a cult classic at once both unassuming and dynamic This book offers new ways for fans to appreciate the appeal and value of this binge worthy favorite as part of the larger culture in which it exists *Gilmore Girls A Cultural History* will be of interest to fans of the show as well as to scholars and students of television media and American popular culture

Confidence Culture Shani Orgad,Rosalind Gill,2021-12-06 In *Confidence Culture* Shani Orgad and Rosalind Gill argue that imperatives directed at women to love your body and believe in yourself imply that psychological blocks rather than entrenched social injustices hold women back Interrogating the prominence of confidence in contemporary discourse about body image workplace relationships motherhood and international development Orgad and Gill draw on Foucault s notion of technologies of self to demonstrate how confidence culture demands of women near constant introspection and vigilance in the service of self improvement They argue that while confidence messaging may feel good it does not address structural and systemic oppression Rather confidence culture suggests that women along with people of color the disabled and other marginalized groups are responsible for their own conditions Rejecting confidence culture s remaking of feminism along individualistic and neoliberal lines Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative

Narratives of Motherhood and Mothering in Fiction and Life Writing Helena Wahlström Henriksson,Anna Williams,Margaretha Fahlgren,2023-03-16 This open access volume offers original essays on how motherhood and mothering are represented in contemporary fiction and life writing across several national contexts Providing a broad range of perspectives in terms of geopolitical places thematic concerns and theoretical and interdisciplinary approaches it demonstrates the significance of literary narratives for understanding and critiquing motherhood and mothering as social phenomena and subjective experiences The chapters contextualize motherhood and mothering in terms of their particular national and cultural location and analyze narratives about mothers who are firmly placed in one national context as well as those who are in in between positions due to migrant experiences The contributions foreground and link together the themes central to the volume embodied experience and maternal embodiment notions of what is normal or natural or not about motherhood maternal health and illness mother daughter relations maternity and memory and the im possibilities of giving voice to the mother They raise questions about how motherhood and mothering are marked by absence and or presence as well as by profound

ambivalences

The Case for Single Motherhood Katherine Elizabeth Mack, 2023-12-05 Delves into the rhetorical work of elective single mothers ESMs in the late twentieth and early twenty first centuries as they sought and continue to seek to legitimize their maternal identities and family formations Scholars of rhetoric have largely overlooked the inherent rhetoricity of family In *The Case for Single Motherhood* Katherine Mack posits family as a central concern of rhetorical studies by reflecting on how language is used by single mothers who seek to reenvision the personal social and political meanings of family Drawing on intersectional and rhetorical theories Mack demonstrates how the category of elective single motherhood emerged in response to the historically differential treatment of unwed mothers along racial and class lines Through her readings of a range of self sponsored ESM texts guidebooks memoirs and interactive digital media written by and primarily for other ESMs and from her perspective as an elective single mother herself Mack evaluates the rhetorical power as well as the exclusions and hierarchies that the ESM label effects She analyzes how ESMs envision motherhood visions that entail their musings about who can and should mother Ultimately Mack offers women who are considering nonnormative paths to motherhood a way to affirm their maternal identities and paths without disparaging others Scholars in the fields of rhetoric and feminist rhetorical studies will find in this volume an illuminating perspective on the rhetorical power of self sponsored texts in particular Crafting a methodology to identify and evaluate the goals and effects of legitimacy work and selecting sources that bring academic attention to varied genres of self sponsored writings Mack paves the way for future rhetorical studies of motherhood and family

Antiheroines of Contemporary Media Melanie Haas, N. A. Pierce, Gretchen Busl, 2020-12-02 This volume of essays provides a critical foray into the methods used to construct narratives which foreground antiheroines a trope which has become increasingly popular within literary media film and television Antiheroine characters engage constructions of motherhood womanhood femininity and selfhood as mediated by the structures that socially prescribe boundaries of gender sex and sexuality Within this collection scholars of literary cultural media and gender studies address the complications of representing agency autonomy and self determination within narrative texts complicated by age class race sexuality and a spectrum of privilege that reflects the complexities of scripting women on and off screen within and beyond the page This collection offers perspectives on the alternate narratives engendered through the motivations actions and agendas of the antiheroine while engaging with the discourses of how such narratives are employed both as potentially feminist interventions and critiques of access hierarchy and power

Still a Mother Jackie Krasas, 2021-04-15 Jackie Krasas traces the trajectories of mothers who have lost or ceded custody to an ex partner She argues that these noncustodial mothers experiences should be understood within a greater web of gendered social institutions such as employment education health care and legal systems that shapes the meanings of contemporary motherhood in the United States If motherhood means being there then noncustodial mothers through their absence are seen as nonmothers They are anti mothers to be reviled At the very least these mothers serve as cautionary tales Still a Mother

questions the existence of an objective method for determining custody of children and challenges the best interests standard through a feminist reproductive justice lens The stories of noncustodial mothers that Krasas relates shed light on marriage and divorce caregiving gender violence and family court Unfortunately much of the contemporary discussion of child custody determination is dominated either by gender neutral discussions or at the opposite end of the spectrum by the idea that fathers are severely disadvantaged in custody disputes As a result the idea that mothers always receive custody has taken on the status of common sense If this was true as Krasas affirms there would be no book to write **Mediated Moms** Heather L. Hundley, Sara E. Hayden, 2016 Images of good mothers saturate the media yet so too do images of mothers who do not fit this mold Numerous scholars have addressed bad mothers in the media arguing that these images are a necessary counterpoint that serves to buttress the good mother myth While mediated images of women who fail to enact good motherhood may promote good mothering as an ideal the essays in *Mediated Moms* Contemporary Challenges to the Motherhood Myth suggest that this is not all that is occurring in contemporary portrayals of maternity The authors in this volume explore how images of mothers have expanded beyond the good bad dichotomy simultaneously and sometimes paradoxically serving to reinforce fracture and or transcend the ideology of good motherhood *Mothering Rhetorics* Lynn O'Brien Hallstein, 2020-03-03 Once only a topic among women in the private sphere motherhood and mothering have become important intellectual topics across academic disciplines Even so no book has yet devoted a sustained look at how exploring mothering rhetorics the rhetorics of reproduction rhetorics about the reproductive function of women mothers and reproducing rhetorics the rhetorical reproduction of ideological systems and logics of contemporary culture expand our understanding of mothering motherhood communication and gender *Mothering Rhetorics* begins to fill this gap for scholars and teachers interested in the study of mothering rhetorics in their historical and contemporary permutations The contributions explore the racialized rhetorical contexts of maternity how fixing food is thought to fix families while also regulating maternal activities and identity how Black female breastfeeding activists resisted the exploitation of African American mothers in Detroit how women in pink collar occupations both adhere to and challenge maternity leave discourses by rhetorically positioning their leaves as time off and disability identifying verbal and nonverbal shaming practices related to unwed motherhood during the mid twentieth century and redefining alternative postpartum placenta practices This book was originally published as a special issue of *Women's Studies in Communication* *The Golden Girls* Taylor Cole Miller, Alfred L Martin, 2025-09-09 *The Golden Girls* Tales from the Lanai is an accessible collection that explores the cultural industrial and historical impact of that beloved American sitcom Edited by Taylor Cole Miller and Alfred L Martin Jr this anthology brings together a diverse range of voices that model different media studies approaches to researching and critically analyzing television texts *The Golden Girls* reclaims the production history and development of the show opens new conversations about audiences especially Black queer and female audiences and provides new insight into the meteoric rise

in popularity of The Golden Girls as a 2020s cultural phenomenon With twelve original chapters and extensive original interviews offering readers rare insights behind the scenes the book is a long day s journey into the marinara of The Golden Girls an immersive engaging opportunity for readers to learn more about the show It truly is the golden age of The Golden Girls
