**Family Mediation** Jane C. Murphy,Robert Rubinson,2009-01-01

**Divorce Mediation** Jay Folberg,Ann L. Milne,1988-05-20 Although divorce is essentially a matter of personal choice its emotional aspects are necessarily entwined with legal dynamics making decisions about divorce a matter of both the heart and the law Consequently feelings become facts that must be accommodated in the divorce process in order to reach a viable lasting result Divorce mediation an alternative to traditional judicial intervention and third party decision making facilitates private negotiation and takes into account emotional as well as legal dimensions of marital dissolution This process empowers divorcing couples to be actively involved in making the choices that will affect their lives for years to come The divorce mediator acts as a neutral party who promotes decision making with the family and helps divorcing couples to develop their own parental financial and property arrangements Because divorce mediation views divorce as a multidimensional process that involves both legal and psychological matters it has attracted professionals from both fields who wish to facilitate a less adversarial approach to the dissolution of a marriage *DIVORCE MEDIATION THEORY AND PRACTICE* fills the currently unmet need for a comprehensive treatment of this burgeoning field Editors Folberg and Milne both nationally recognized authorities have compiled an interdisciplinary state of the art work on divorce resolution Leading practitioners have

contributed chapters which define the theory of divorce mediation and outline techniques and strategies as well as ethical considerations and constraints standards of practice and policy issues Current results and forthcoming research findings on such important and controversial matters such as mediation s role in domestic violence disputes are also included The volume opens with a lucid discussion of theory and practice the nature of divorce disputes and methods for achieving settlements It goes on to offer a detailed overview of the psychological and legal dimensions to be considered Next organizational settings in which divorce mediation occurs namely courts of law private practice agencies and organizations are discussed The implications of divorce mediation for such complex areas of dispute as child custody and financial agreements are vividly conveyed The process of engaging couples in constructive communication and reducing irrationality is fully explored in the chapters on power balancing communication strategies and techniques to break impasses Legal and ethical issues discussed include liability of divorce mediators confidentiality and privilege and standards of practice The book closes with comprehensive coverage of research results a longitudinal comparison of mediated versus adversarial divorce and an in depth descriptive analysis of common divorce mediation behaviors This groundbreaking volume brings together a wide range of noted practitioners and researchers in this dynamic discipline to produce the singular interdisciplinary comprehensive work on this subject to date **DIVORCE MEDIATION THEORY AND PRACTICE** will be an indispensable tool for mediators therapists social workers lawyers educators and other dispute resolution professionals It will be of interest to anyone concerned with empowering couples to determine their own mutual and individual responsibilities and rendering the process of marriage dissolution more cooperative and humane

*Mediation Theory & Practice* ,2014 *Family Mediation* Howard H. Irving,Michael Benjamin,1987 *Mediation Theory and Practice*(Looseleaf Alfini, *Advanced Negotiation and Mediation Theory and Practice* Thomas F. Guernsey,Paul J. Zwier,2005 In this new updated edition of *Advanced Negotiation and Mediation Theory and Practice* Paul Zwier and Thomas Guernsey present a strategic planning and integrated systematic approach to negotiation which recognizes that both adversarial and problem solving strategies have distinct advantages and that lawyers need to combine styles and strategies to achieve the best results for their clients Zwier and Guernsey provide attorneys with an outline to plan and implement effective negotiation techniques using up to date situations throughout the book to demonstrate how understanding negotiation theory and practice can help them partner with their clients to make better strategic use of negotiation The authors break down the counseling process into stages and show what information the client needs to make an informed decision They then suggest and give examples of the techniques and skills that might be used to implement that decision in a negotiation and or mediation setting *Family Mediation* Howard H. Irving,University of Toronto. Faculty of Social Work,University of Toronto. Faculty of Law,1992
