In Her Hands Emma Day, 2023-08-15 From the outset women experienced infection and death at the hands of the HIV AIDS epidemic Yet when the health crisis of AIDS first emerged in the United States in the early 1980s scientists doctors and public health officials overlooked women in the response to a disease first associated with men As the acknowledgment that women could contract HIV and die from AIDS grew women became vulnerable to hostile government policies which threatened their health and rights But they did not passively accept mistreatment rather they mobilized to frame the fight against the disease Emma Day moves the historical understanding of the impact of HIV AIDS on women beyond their exclusion from the initial medical response and the role they played as the supporters of gay men Focusing on the activism of women who protested the co-occurring state neglect of their health care needs and state intervention into their lives *In Her Hands* opens a timely new avenue to explore the relationship between the state and women's status in modern America

We will cover thirty five advantages that children either directly or indirectly acquire from correctly measured discipline during their first years at home Types of advantages will include earned learned gotten used to realized built and motivation with things that can help them Of these I ll explain how two of the learned understanding authority and the concept of expectations are mentally retained by a child and how all three of the gotten used to advantages comfort with others being in charge with self restraint and with the difficult type of effort transfer as personal and emotional assets to form their coping mechanism which significantly helps them and their teachers starting in first grade I ll also explain how these five things follow teenagers into the work force as their work ethic Once this is completed the two things that weren t learned at home and the three transferable liabilities that follow children into first grade as disadvantages and again into the work force from being denied discipline become obvious While explaining the above I ll construct an equation by extracting evidence from commonly observed situations like the first interactions between a mother and her infant I think you d agree that emotions motivate a mom s attention and the smile from her infant is evidence that shows we re all born with emotions Our born with variables will be placed in the top of our equation and things we acquire from our discipline defined experiences will be placed in the bottom Once you have the completed equation you ll not only be able to separate born with feelings from learned facts quite easily regarding this subject but you ll also be able to identify where your perspective originates from feelings or facts when considering other controversial subjects as well All of which will be respectfully presented and very simple to understand Forgotten Destiny Janet Tanner, 2019-06-27

My Lycan Triplet Stepbrothers B. Mimija, 2024-06-22 We shouldn't do this I whispered as I watched my stepbrothers glowing eyes sweep hungrily down my body Yet It is inevitable You can never stop the fire that burns from the existence of a mate bond they whispered breathlessly in unison Yulia Moonshadow has been on the run for five years and just when she thinks she can finally lay her guard down the predator Dimitri catches up to her She is about to resume the run when her mother announces her marriage with the most powerful man in the realm Lycan Silver Frostwood Yulia has no choice but to allow this union and she moves in to find out that Lycan Silver has triplets who turn out to be her mates As hard as all four of them try to ignore the power of the mate bond it pulls them in until they begin a secret affair in the cover of darkness But happiness is not meant to stay forever For darkness greater than the secrets getting revealed as well as the devil Dimitri himself is slowly creeping in and before they realize it It is already too late **Mad Blood Stirring** Daemon

Fairless, 2018-03-06 With a rare clarity and fearless honesty journalist Daemon Fairless tackles the horrors and compulsions of male violence from the perspective of someone who struggles with violent impulses himself creating a non fiction masterpiece with the narrative power of novels such as Fight Club and A History of Violence A man no matter how civilized is still an animal and sometimes a dangerous one Men are responsible for the lion's share of assault rape murder and warfare Conventional wisdom chalks this up to socialization that men are taught to be violent And they are But there's more to it Violence is a dangerous desire a set of powerful and inherent emotions we are loath to own up to And so there remains a hidden geography to male violence an inner ecosystem of rage dominance blood lust insecurity and bravado yet to be mapped Mad Blood Stirring is journalist Daemon Fairless's riveting first person travelogue through this territory as he seeks to understand the inner lives of violent men and ultimately himself *Carnal Knowledge of God* Rebecca M. M.

Voelkel, 2017-04-01 Theologian pastor and seasoned activist Rebecca Voelkel offers a theological vision of embodied love informed by her own experience research and pastoral and organizing work with gay lesbian transgender and gender queer persons Voelkel lays out a theological approach that includes the Via Positiva asserting and celebrating bodily integrity and empowerment the Via Negativa acknowledging and analyzing the ways in which vulnerable bodies are colonized the Via Creativa artistic expressions of social alternatives and the Via Transformativa The transformative way grounds action in what Voelkel calls inaugural eschatology which anticipates and works toward a different future Her theological vision is interwoven with wisdom gained from social change movement building offering principles that will enable allies to work

strategically to take advantage of what Voelkel and others see as a building progressive wave *Feminizing Theory* Rhea Ashley Hoskin, 2021-09-09 The term femme originates from 1940s Western working class lesbian bar culture wherein femme referred to a feminine lesbian who was typically in a relationship with a butch lesbian Expanding from this original meaning femme has since emerged as a form of femininity reclaimed by queer and culturally marginalized folks Importantly femme has also evolved into a theoretical framework Femme theory argues that femme constitutes a missing piece in queer and feminist discourses of femininity Attending to this gap femme theory centres queer femininities as a means of pushing against the deeply embedded masculinist orientation of queer and gender theory Thus femme theory offers tools to shift the way researchers and readers understand femininity as well as systems of gender and power more broadly This book is an introduction to femme theory showcasing how femme can be used as a theoretical framework across a variety of contexts and disciplines such as Film from countries including Canada China Guyana and the USA Femme theory asks readers to reconsider how femininity is conceptualized revealing some of the many taken for granted assumptions that are embedded within cultural discourses of gender sexuality and power The chapters in this book were originally published as a special issue of the Journal of Lesbian Studies **Trans Sex** Lucie Fielding, 2025-10-23 This radically re visioned and expanded edition of Trans Sex offers a joyously pleasure centered approach to nurturing trans erotic embodiment and finding gender pleasure in the body Trans Sex challenges limiting models of gender affirming care that focus on resolving gender dysphoria and preserving sexual function or highlight sexual losses that may arise as a result of transition pathways Grounded in social justice somatics and queer theory this book offers a pleasure positive approach to working with trans and gender expansive individuals Building on the groundbreaking concepts introduced in the award winning first edition the second edition features new frameworks such as gender pleasure and a fresh set of experiential activities and illustrative vignettes to bring theory to practice The final chapter features a new set of contributing trans and gender expansive authors who work at the intersections of sexuality and gender This book is designed to be accessible to a range of readers Mental health and medical providers will be able to harness creative strategies to enhance their practice and become more imaginative ethically curious providers Trans and gender expansive folks and allies will find tools and strategies for queering sex circumventing limiting understandings of the erotic and opening a potential universe of pleasure that celebrates the polymorphous perversity of our bodies Succeeding Outside the Academy Joseph Fruscione, Kelly J. Baker, 2018-10-17 Not every PhD becomes a professor Some never want to but others discover too late and ill prepared to look elsewhere that there s precious little room in today s ivory tower and what s there might not be a good fit For those leaving academia or wanting out or finding themselves adrift this book offers hope advice and a bracing look at how others facing the same quandary have made careers outside of the academy work All of the authors in this volume as well as the editors have built successful careers beyond the groves of academia as freelance editors and writers consultants and lecturers librarians realtors and entrepreneurs and each has a

compelling story to tell Their accounts afford readers a firsthand view of what it takes to transition from professor to professional They also give plenty of practical advice along with hard won insights into what making a move beyond the academy might entail emotionally intellectually and not least financially Imparting what they wish they d known during their PhDs these writers aim to spare those who follow in their uncertain footsteps Together their essays point the way out of the tenure track or bust mindset and toward a world of different but no less rewarding possibilities **Dangerous Desire**

Ashley Snow,1990 **A Political Biography of the Indonesian Lesbian, Bisexual and Trans Movement** Saskia Wieringa,2024-04-04 Here the history of the Indonesian LBT movement is charted from invisibility to visibility and now as it moves again into hiding In the early 1980s during the oppressive military dictatorship called the New Order in Indonesia the first organizations of Lesbian Bisexual and Trans persons were established They were short lived but prepared the ground for a more comprehensive LBT rights movement after the democratic opening of society in 1998 From 2000 to 2015 the visibility of the movement grew until a vicious state sponsored backlash set in driven by majoritarian fundamentalist Islamist groups Saskia Wieringa tracks the movement s progress and explores the persistence of the butch femme model of relationships the proliferations of identities family violence and conversion therapy religion and the anti LGBT campaign In its insistence on the local dynamics of this movement the book aims to debunk the idea that homosexuality is a Western import Chapters deal with the many religious and secular phenomena that are linked with gender diversity and same sex relations traditionally and the erasure of many of these traditions is explained using the concept of postcolonial amnesia A Political Biography of the Indonesian Lesbian Bisexual and Trans Movement is also a contribution to the growing literature on decolonization studies pointing out that its dynamics its historical course and its present condition different as they are from the dominant Western view on a global LGBT movement needs to be considered as valuable as accounts of Western LGBT histories are **Dark King** Eve Newton, I am king here And I always win When a thrilling one night stand turns into something deeper and darker I find myself drawn into a world where he is king that I never knew existed and makes me wish that I didn t He wants to make me his queen but I m not cut out for the life he wants to give me When one of his brothers arrives throwing me into danger I have a choice to make Or do I Dark King is a dark mafia romance This is a fast burn Slow Build Reverse Harem throughout the trilogy Contains triggers and content warnings Please check the Preface for these **Baby, You are My Religion** Marie Cartier,2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My

Religion examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall **It's Fun to Be a Person I Don't Know** Chachi D.

Hauser,2023-03 At first glance a reader might mistake It s Fun to Be a Person I Don t Know for a juicy Hollywood tell all given Chachi D Hauser s background as the great granddaughter of Roy Disney a cofounder with his brother Walt of the Walt Disney Company And to her credit Hauser doesn t shy away from confronting painful family memories when considering how the stories myths and rumors surrounding this entertainment empire have influenced her own imagination But family history is only one strand in this intricate and variegated weave that also interlaces the social and environmental history of Hauser s adopted hometown of New Orleans intimate reflections on love and navigating open relationships and a searing self examination that reveals a gender fluidity chafing against social barriers Hauser s innovative and multifaceted narrative navigates a variety of terrains seeking truth as its final destination While the family company excels in fantasy Hauser s story is that of a young documentary filmmaker determined to train a sharply focused lens on the reality of her lived experiences
