A detailed still life illustration on a wooden surface. In the center, an open historical map is spread out, showing the eastern coast of North America with the title 'NORTH AMERICA' visible. To the right of the map lies a thick, leather-bound book. In the foreground, a pair of round-rimmed spectacles with a dark frame rests on a dark, possibly leather, surface. Next to the spectacles is a chain of keys. The background shows a wooden shelf with other books and a small globe.

My Discovery of England Stephen Leacock, 2016-07-02 Excerpt from the Introduction Ladies and gentlemen this is Mr Stephen Leacock Mr Leacock this is the flower of London intelligence or perhaps I should say one of the flowers the rest are coming to your other lectures In ordinary social life one stops at an introduction and does not proceed to personal details But behaviour on the platform as on the stage is seldom ordinary I will therefore tell you a thing or two about Mr Leacock In the first place by vocation he is a Professor of Political Economy and he practises humour frenzied fiction instead of frenzied finance by way of recreation There he differs a good deal from me who have to study the products of humour for my living and by way of recreation read Mr Leacock on political economy Further Mr Leacock is all British being English by birth and Canadian by residence I mention this for two reasons firstly because England and the Empire are very proud to claim him for their own and secondly because I do not wish his nationality to be confused with that of his neighbours on the other side For English and American humourists have not always seen eye to eye When we fail to appreciate their humour they say we are too dull and effete to understand it and when they do not appreciate ours they say we haven't got any

Winnowed Wisdom Stephen Leacock, 2021-11-09 In *Winnowed Wisdom* Stephen Leacock showcases his exceptional wit and humor through a collection of essays that delve into the absurdities of everyday life The book masterfully combines satire and keen observation reflecting Leacock's astute insights into human nature and society in the early 20th century Written in a light hearted engaging style Leacock's prose offers both charm and intellectual stimulation making it accessible while inviting deeper contemplation on the peculiarities of existence and common sense This work is among his best standing out in a literary context dominated by realism and naturalism as it boldly embraces humor as a lens through which to view life's complexities Stephen Leacock 1869-1944 was a Canadian humorist teacher and political economist whose sharp intellect and personal experiences deeply informed his writing Often regarded as one of the foremost humorists of his time Leacock's diverse background from his

academic endeavors to his rich understanding of social dynamics provided the perfect foundation for the satirical genius evident in *Winnowed Wisdom*.
