My Father's Name Lawrence P. Jackson, 2012-05-15 The author seeking to find his grandfather's old home follows his family history back to his great great grandfather who was born a slave and died a free man with forty acres

My Father's Name Lawrence P. Jackson, 2020-03-04 An African American studies scholar traces his family lineage to a Black Virginia neighborhood in the era of Reconstruction in this historical memoir As an expectant father Lawrence P Jackson decides to go looking for his late grandfather's home in Pittsylvania County Virginia an old house by the railroad tracks in Blairs Armed with nothing but childhood memories his journey evolves into a kind of detective story as he uncovers his ancestral history through the turmoil and torment of the 19th century South After asking around in Pittsylvania County Jackson finds himself in the house of distant relations He becomes increasingly absorbed by the search for his ancestors and soon realizes how few generations an African American needs to map in order to arrive at slavery the door of no return Ultimately Jackson's dogged research leads him to his grandfather's grandfather a man who was born or sold into slavery but who when Federal troops abandoned the South in 1877 was able to buy forty acres of land In this intimate study of a black Virginia family and neighborhood Jackson vividly reconstructs moments in the lives of his father's grandfather Edward Jackson and great grandfather Granville Hundley and gives life to revealing narratives of Pittsylvania County recalling both the horror of slavery and the later struggles of postbellum freedom

Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century Libra R. Hilde, 2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master's property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood

emancipation Drawing on decades of archival research and family lore within and beyond the United States Field traces their journey out of the South to Indian Territory where they participated in the development of black and black Indian towns and settlements When statehood oil speculation and Jim Crow segregation imperiled their lives and livelihoods these formerly enslaved men and women again chose emigration Some migrants launched a powerful back to Africa movement while others moved on to Canada and Mexico Their lives and choices deepen and widen the roots of the Great Migration Interweaving black white and Indian histories Field s beautifully wrought narrative explores how ideas about race and color powerfully shaped the pursuit of freedom

Swanson,2014-08-12 Drew A Swanson has written an environmental history about a crop of great historical and economic significance American tobacco A preferred agricultural product for much of the South the tobacco plant would ultimately degrade the land that nurtured it but as the author provocatively argues the choice of crop initially made perfect agrarian as well as financial sense for southern planters Swanson who brings to his narrative the experience of having grown up on a working Virginia tobacco farm explores how one attempt at agricultural permanence went seriously awry He weaves together social agricultural and cultural history of the Piedmont region and illustrates how ideas about race and landscape management became entangled under slavery and afterward Challenging long held perceptions this innovative study examines not only the material relationships that connected crop land and people but also the justifications that encouraged tobacco farming in the region Shelter Lawrence Jackson,2022-04-19 A Kirkus Best Book of 2022 A stirring consideration of homeownership fatherhood race faith and the history of an American city In 2016 Lawrence Jackson accepted a new job in Baltimore searched for schools for his sons and bought a house It would all be unremarkable but for the fact that he had grown up in West Baltimore and now found himself teaching at Johns Hopkins whose vexed relationship to its neighborhood to the city and its history provides fodder for this captivating memoir in essays With sardonic wit Jackson describes his struggle to make a home in the city that had just been convulsed by the uprising that followed the murder of Freddie Gray His new neighborhood Homeland largely White built on racial covenants is not where he is supposed to live But his purchase

and his desire to pass some inheritance on to his children provides a foundation for him to explore his personal and spiritual history as well as Baltimore's untold stories Each chapter is a new exploration a trip to the Maryland shore is an occasion to dilate on Frederick Douglass's complicated legacy an encounter at a Hopkins shuttle bus stop becomes a meditation on public transportation and policing and Jackson's beleaguered commitment to his church opens a pathway to reimagine an urban community through jazz Shelter is an extraordinary biography of a city and a celebration of our capacity for domestic thriving Jackson's story leans on the essay to contain the raging absurdity of Black American life establishing him as a maverick essential writer
