Reading Meets Play ... on the Farm!

Hours of Farm-Themed Fun

For young children, learning and playing are one and the same. My First Farm Friends: Books in a Barn, by Barry Wallin, allows children to do both, using a single, portable read-and-play set.

This charming set contains four illustrated board books, each depicting a day in the life of iconic farm animals — pigs, goats, cows, and chickens. The books are packaged in an adorable and durable carrying case that doubles as a play barn. Stand-up figures of the featured animals can be enjoyed in and around the barn.

Rich pencil-and-watercolor sketches bring all the sensory details of the farm to life. The illustrations go hand-in-hand with simple words that are sure to build a young child's growing vocabulary. Depictions of warm, human-animal interactions — feeding and milking, tending and herding — invite young children to make a strong personal connection with the animals.

When the stories are finished, children can create their own barnyard and play with the stand-up figures in and around the barn box. An unbeatable combination of books, barn, and animal toys, My First Farm Friends: Books in a Barn promises whole afternoon of farm-themed fun. The set makes an irresistible gift package and is ideal for baby showers, birthday presents, and toddler birthdays.
