**Ocean** J.D. Netto, 2025-06-17 Inspired by true events a thoughtful timely and emotionally compelling story about coming of age coming out and coming into your own So much of who I was had to be hidden I wondered how it would feel to let that part of me be on full display Maybe I'd be given the chance to feel To forget Or even to breathe For most sixteen year olds life is all about friends fun and family But for Matt Franco it's different Because Matt and his family are undocumented immigrants like many other Brazilian emigres in his town And that means he can't get a job he can't get a driver's license and as for college Get real But Matt is also carrying a burden much closer to his own heart Matt is gay And right now he's the only one who knows it But that changes when handsome kind eyed and charming transfer student James Alberte walks into class Because James isn't just some queer teen crush He's everything Matt could ask for and it's James love strength and support that helps Matt finally come out to the world Unfortunately love doesn't necessarily make Matt's situation any easier He's still stranded by his immigrant status with a future that seems headed for a dead end And if he's ever going to be happy Matt will have to decide what he wants where he's headed and who he is at heart It won't be simple And it certainly won't be easy But when it comes to life love and everything in between what is The author of The Whispers of the Fallen and Henderbell series offers a moving heartfelt story perfect for fans of Adam Silvera's More Happy Than Not Praise for The Other Side of the Ocean This novel is brilliantly executed threaded through with linguistic gems and deeply rooted in both Brazilian culture and the mind of a teenage boy Heartfelt and authentically grounded a must read Kirkus Starred Review Drawing from events in his own life Netto infuses the narrative with heartbreaking realness While primarily a romance this novel's observations on immigration and citizenship seem more relevant and realistic with each passing day Recommend to readers searching for realistic LGBTQ romance novels and fans of Jenny Torres Sanchez's We Are Not From Here 2020
