My Hometown Sjd Peterson:

My Hometown SJD Peterson, 2015-12-07 Jimmy Brink and Eric Halter grew up together in a small country town While Eric has always been content with life as a rancher Jimmy wanted more and moved to Chicago early on to pursue a medical career Life has a way of coming back around When Jimmy's parents decide to retire in Florida Jimmy returns to his hometown to finish his residency at a local hospital Flamboyant boyfriend Oliver in tow Jimmy bumps into his old friend Eric quickly takes a disliking to Oliver though and for good reason Oliver proves he's not only self-centered but also a cheater To complicate matters Eric finds it more and more difficult to hide his attraction to his best friend When the opportunity arises he needs to decide whether to risk their friendship to pursue his feelings but maybe Jimmy will see there's more for him now than ever before in his hometown

Romance Redefined SJD Peterson, 2017-11-27 Opposites attract but are some differences too drastic for a romance to survive On the surface Benson Howard Winthrop III and Hugh Bayard have a lot in common they're young handsome and blessed to be one of the wealthiest couples in the country Surely they have everything anyone could want But Ben is no longer satisfied with their long running relationship Hugh's need to control every situation is suffocating him and Ben needs to know if he can make it on his own merits by following his passion But Ben's mother isn't about to let her son live in a rundown apartment as a struggling actor She's determined to get him back to his rightful place at the top of the social ladder and back with Hugh Rekindling their romance will require more than doing what's expected Ben and Hugh need to understand and embrace each other's differences They'll have to support each other even when one makes a decision the other doesn't agree with For their passionate love to grow they will need to redefine the meaning of romance only then can they find true happiness

Limitless SJD Peterson, 2016-12-02 An Underground Club Tale Even within the context of the Underground BDSM Club Joshua's desires are dark and extreme Hopelessly addicted to pain and the high it gives him he has no limits Joshua would quite literally rather die than use a safeword and he accepts that might be his fate As much as he depends on others he has yet to find a man who can gain his trust and he has little hope that he ever will For Nash acquiring Joshua from another Dom at the club is only the first step in what will be a long and arduous road to lure the young man back from the brink of self-destruction He must do the impossible and win Joshua's trust and he must be the one to set limits in their exploration something he's unaccustomed to as a Dom But Nash knows dominance doesn't always mean pushing a submissive's boundaries It's about establishing a bond and fulfilling another man's needs In Joshua's case he'll have to strike a balance between meeting the young man's expectations and drawing firm lines that will save Joshua from himself
