My Life Outside The Ring:

My Life Outside the Ring Hulk Hogan, Mark Dagostino, 2009-09-23 In *My Life Outside the Ring* Hulk Hogan legendary wrestler come reality star reflects on his life family and career and shares how he has found inspiration during difficult times Hulk Hogan born Terry Bollea burst onto the professional wrestling scene in the late seventies and went on to become a world wrestling champion many times over From humble beginnings this giant of a man escaped a pre ordained life of dock and construction work in Port Tampa Florida to become one of the most recognizable celebrities on the planet He did it through sheer will grit determination and a drive to always go over the top and do more than what others thought possible From the outside his story was one of a charmed life he was at the top of his career had a wonderful and loving family and a lifelong fan base who worshiped him Of course he had his up and downs including hints of steroid abuse and his falling out with WWE and Vince McMahon but two years tested Hogan more than any other in his lifetime In 2007 while riding the massive success of his VH1 reality show *Hogan Knows Best* his son Nick was involved in a tragic car accident that left his best friend in critical condition Then Linda his wife left him after 23 years of marriage his beloved daughter Brooke blamed him for the breakup and his son went to jail The tabloid media had a field day When unflattering jailhouse conversations between him and his son were released to the press the tabloids were in a frenzy The sudden turmoil and tragedy surrounding Hogan took its toll He fell into a deep depression seeing no way out until one fateful phone call In *My Life Outside the Ring* Hogan will unabashedly recount these events revealing how his newfound clarity steadied him during the most difficult match of his life and how he emerged from the battle feeling stronger than ever before I was right there leaning on the side of the car with my hands when I finally saw Nick my only son folded up like an accordion with his head down by the gas pedal Nick I yelled I could see he was alive He turned his head he stuck his hand out and gave me a thumbs up For a second I was relieved Then the chaos set in The noise of engines Sirens A saw Paramedics pulling John from the passenger seat So much blood I can't even describe to you how panicked I was The police and firefighters surrounding us seemed panicked too The firefighters started cutting the side of the car open to try to get Nick out and I'm still standing right there when I hear my boy screaming No no no stop Stop You're gonna cut my legs off Dad Just unbuckle the seatbelt I can get out So I reach in and I push the button on his seat belt and Nick just crawls right out His wrist was broken His ribs were cracked None of that mattered He was gonna be okay But not John John wasn't moving from MY LIFE OUTSIDE THE RING

charts his rise from rural poverty to the throne of one of the world's most influential media empires and features never before seen research and exclusive interviews with more than 150 people who witnessed, aided and suffered from his ascent. Even if you've never watched a minute of professional wrestling, you are living in Vince McMahon's world. In his four decades as the defining figure of American pro wrestling, McMahon was the man behind Dwayne "The Rock" Johnson, Stone Cold Steve Austin, John Cena, Dave Bautista, Bret "The Hitman" Hart, and Hulk Hogan, to name just a few of the mega-stars who owe him their careers. For more than twenty-five years, he has also been a performer in his own show, acting as the diabolical Mr. McMahon, a figure who may have more in common with the real Vince than he would care to admit. Just as importantly, McMahon is one of Donald Trump's closest friends, and Trump's experiences as a performer in McMahon's programming were in many ways a dress rehearsal for the 45th President's campaigns and presidency. McMahon and his wife Linda are major Republican donors. Linda was in Trump's cabinet. McMahon makes deals with the Saudi government worth hundreds of millions of dollars. And for generations of people who have watched wrestling, he has been a defining cultural force. Accessible to anyone, regardless of wrestling knowledge, Ringmaster is an unauthorized, independent investigative chronicle of Vince McMahon's origins and rise to supreme power. It is built on exclusive interviews with more than 150 people, from McMahon's childhood friends to those who accuse him of destroying their lives. Far more than just an athletics or entertainment biography, Ringmaster uses Vince's story as a new lens for understanding the contemporary American apocalypse.

No More Being Abused, I'm Taking My Life Back Ms. Survivor, 2017-11-20 Domestic Violence is a serious issue when dealing with the hands of your abuser. Domestic Violence is a violent or aggressive behavior within the home, church, or workplace, typically involving the violent abuse of a spouse or partner. Domestic Violence is also willful intimidation, physical assault, battery, sexual assault, and/or other abusive behavior as part of a systematic pattern of power and control perpetrated by one intimate partner against another. I was in an abusive relationship with my abuser for a long period of time. I suffer a lot of pain and heartache in the hands of my abuser. He had me brainwashed. He can cheat on me with whomever he wanted to, but I dare not question him. Why? My abuser told me, "I better not tell anyone, and if you do, I'll kill you." Now that stuck with me for a long time. I never told anyone of what he had done to me. I knew I had to fight back in order for me to get away from him. None of that worked out for me. He always said the right words to win me back. Yes, I loved him, and I didn't want to see him in jail. I kept everything a secret from my family. I pray that if you are in an abusive relationship, to get out and seek help. Yes, he may tell you that he won't do it again, but is it worth losing your LIFE? He's going to tell you all the good words you love to hear, but is your heart worth losing a BEAT? Don't be afraid to seek help. It's up to you to get the help. If you know someone you can trust, please tell them. Always keep a journal of what is going on between you and your abuser. I AM A SURVIVOR of DOMESTIC VIOLENCE. I survive the hands of my abuser. To all women's around

the world who is going through an abusive relationship there is joy on the other side God will be there in the midst of your storm May God bless you all Ms Survivor
