My Name Is John My Name Is John:

John's Gospel Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John's invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh's authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob Böhme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark's Gospel of 1928 John's Gospel could be described as the capstone of Beckh's writings as a triumphant announcement that theology and the study of John's Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh's significant achievements

The Game Was Good to Me John Crawley, 2000-12-20 Yes The Game Was Good To Me until I discovered the Holy Spirit and Salvation becoming a Born Again Christian For many of my adult years I lived a life of wrong doings transgressions and sin My earliest recollections were as an earth bound child dragging a heavy gunnysack through fields of cotton and corn towering over my head I was a sharecropper's son barefooted and destined to toil for the rest of my life in a no win hard rock situation My family and I were indentured slaves to a harsh southern system From these humble beginnings I started a fantastic journey through self discipline and soul survivorship step by step through the nightmarish world of file de joie and many devious adventures I became very successful and lived in a post enclave on the famed Sutton Place New York City I flew high rubbing shoulders with fast players movers and city slick shakers I covered many major cities as my fortunes ebbed and flowed but always came up smelling like a rose How sweet it was In The Game Was Good to Me I do not use the real names of my friends associates and acquaintances unless I have their full approval otherwise substitute names are used to protect their privacy I sincerely feel that my greedy story will be a warning to young men who may attempt to walk the same dangerous paths that I once followed

Some Memoirs of the Life of John Roberts, etc Daniel ROBERTS (of the Society of Friends.), 1754 [The Life of John Lilburne](#) John Lilburne, 1854 **The Revelation of St. John** E. W. Hengstenberg, 2005-05-05 From the Preface The Revelation of St John was for a long time a shut book to me That it was necessary here to lay open a new path that neither the course pursued in the older ecclesiastical nor that of the modern Rationalistic exposition was to be followed I never entertained a doubt The title shows that this work is intended for all who search the Scriptures The remarks contain little of a grammatical nature The text will present no difficulties to cultivated readers even though not theologians if they are only

animated by the earnest desire to become thoroughly acquainted with the contents of the book I commend this work the deficiencies of which I deeply feel to Him who has given me strength to execute it thus far and who has rendered it to myself a source of edification and comfort

John 17 and the Power of Prayer Judith A Diehl, 2023-06-12 What is the power of prayer It is easy not to even think about prayer until trauma happens Everything seems to be going very well until we slip and fall Life is filled with beauty and joy until it isn't Then is God listening Silence is deafening and the lack of communication is frightening Many people know the familiar Lord's Prayer found in Matthew's Gospel and for good reason Some of us memorized it in our childhood But actually we may know little about prayer or we have tried to avoid it altogether Within varied denominations and customs people have rituals and practices about prayer that are deeply ingrained Some are very helpful but some do not raise prayer above a mysterious obligation and a duty Sadly perhaps we have lost our prayer innocence with time traditions and the painful experiences of life This book is a focus on unusual names or titles for God on the lips of Jesus in John's Gospel Names reveal identity who is God who is Jesus and who is the Holy Spirit A better understanding of God can have a profound effect on one's prayer life Knowing God is the power of prayer it can move us from obligation to love There are numerous books on effective or successful prayer in the religious section of the bookstore or on the internet This is not one of those books It is not about how to pray but it is a book about the One to whom we pray Life is a rocky craggy trail and we all need dependable available help when we slip and fall Then we can lift our hearts and thank Someone who loves us That is the power of prayer
