Conversations with God Sheryl Mims Williams,2013-12-03 God is ever present and is constantly speaking to us We do not recognize his voice because we are often dealing with the voices in our head We are so busy talking to Him in the form of prayer and asking for things that we forget to listen for the answer How often do we listen to see if God is answering our prayers or do we talk and talk not really expecting an answer Many times we miss the answer because we are expecting God to answer in a certain way or mean I believe that God speaks to us in many different ways and means Yes God speaks to us in many ways and we know that he speaks to us through his Word For we know that God s Word gives life He

spoke to Moses through a burning bush he spoke to the prophets through visions and to others through angels He even opened the mouth of a donkey to speak with the prophet Balaam It could be an answer through a total stranger in the grocery store line or through a child However he chooses to answer we do have access to his Word whenever and where ever we want it I believe that God is constantly speaking to us but our heads minds and hearts are filled with so many distractions that it is almost impossible to hear or even acknowledge him in the busyness of life God wants us to know that he hears and answers our prayers He loves us and he is speaking the words we long to hear and need to hear He is touching those who seek him with a quiet power of strength and love He even knows the prayers of the heart prayers that we pray without uttering a word All we need to do is wait and listen for the answer God wants to show us a place of freedom a place of his peace He wants us to trust him with our lives and trust that he values us cherish us and wants us to walk in truth God wants us to feel his presence and experience his power As we read his Word we are in his presence and can feel his power I am writing this as a reminder that he does care and he is with us always Throughout the years I have written down the things God has spoken to me in our conversations Do you think God wants us to simply be a church goer Do you think he wants us to busy ourselves with church work Or does he want to have a personal relationship with us the kind of relationship that requires time and conversation He does not require us to give a lot of time just quality time time where he will have our undivided attention I found that as I quietly sit and listen to him God comforts encourages directs and guides me This book is a compilation of scriptures and simply being at the feet of God allowing him to speak to the heart It is a matter of losing self to the Spirit It is my hope and prayer that this little book might inspire encourage and lift up someone who might feel as though God has forgotten It is my desire to make God s Word more effective in your everyday lives I pray that others will read this book and feel God s presence and know that he is there for them as he has been for me To get the most from this book read it slowly and intently Search for those special words that speak to your heart and spirit as well as your needs These words will help you grow in your spiritual walk as you feel the presence of God our Father I pray that God will bless every life it touches and the words will leave these pages and find a home in your heart      **The Case for Easter** Lee

Strobel, 2009-12-15 Did Jesus of Nazareth really rise from the dead Of the many world religions only one claims that its founder returned from the grave The resurrection of Jesus Christ is the very cornerstone of Christianity But a dead man coming back to life In our sophisticated age when myth has given way to science who can take such a claim seriously Some argue that Jesus never died on the cross Conflicting accounts make the empty tomb seem suspect How credible is the evidence for and against the resurrection Focusing his award winning skills as a legal journalist on history s most compelling enigma Lee Strobel retraces the startling findings that led him from atheism to belief He examines The Medical Evidence Was Jesus s death a sham and his resurrection a hoax The Evidence of the Missing Body Was Jesus s body really absent from his tomb The Evidence of Appearances Was Jesus seen alive after his death on the cross Written in a hard hitting journalistic

style The Case for Easter probes the core issues of the resurrection Jesus Christ risen from the dead superstitious myth or life changing reality The evidence is in The verdict is up to you **Spiritual Avalanche** Levi Skipper,2011-08-16 The snow has fallen The night freeze has set in The horrific wind has blown and boom Spiritual avalanche Are you feeling unhappy as a follower of Christ Are you filled with bitter thoughts that have consumed your life Are you looking back at the mess you ve made and wondering if there s any way out and any way to prevent future avalanches There is a way Too many followers of Christ are miserable and they don t have to be The major problem is that they are caught in a Spiritual Avalanche Dr Levi Skipper gives keen insight from Psalm 1 to pull you out of the mess and protect yourself against future snow slides Learn how to spot snow flurries those times when you start to follow the ways of the world forming in your walk with Christ Discover practical steps you can take to ward off the night freeze when your thoughts and actions change and shield yourself from the horrific wind that blows bitterness in Come in from the cold and find out what you can do to prevent another avalanche and experience joy in your walk with God Don t get caught in a deep freeze Join the avalanche tour guide and discover the abundant life Christ promised for you **Eve'S Apple** Marie Therese Kceif,2014-11-05 A Witness of Gods Faithfulness Marie struggles to grow in grace and guidance from the Lord while slowly recognizing her own rebellion She intimately shows us the highs of her aviation and automotive careers and the suffering lows of abuse bankruptcy and divorce Her relationship with God grows through it all Eves Apple is a witness of how God gently guides one of His Eves into a slow freeing surrender of a Marys trusting yes This is a journey of hope faith and real relationship Joseph A Marsigla COL MS Commander US Army Some words that come to mind are warm introspective wonderment I could go on and on The talent God has given her has allowed me to look at my life to look at things I have not thought of in some time I see many parallels and similar struggles This book is one of those rare jewels that can change lives Father David Harvey Senior Catholic Priest An able storyteller and an adept communicator She speaks with conviction and grace Jill Savage Hearts at Home founder and CEO She has a story to tell and she tells it well Shes honest and open about the less than charming part of her story Most important however she is candid and sincere about the work God has done in her life Our moms were touched by her story and I know you will be too **The Life of Wesley and the Rise and Progress of Methodism** Robert Southey,1889 *The Life of Wesley* Robert Southey,1889 *Capture the Moment* Gregg Matte,2021-12-01 Teach us to number our days carefully so that we may develop wisdom in our hearts These words from Psalm 90 prayed by Moses reflect an eternal truth we need God s help to number our days and to capture every moment so that we can live it with wisdom Capture the Moment is a 365 day devotional that will help you do just that For those who get bogged down in the mundane distracted by the noise and lost in the busyness pastor and author Gregg Matte has written these daily devotions to point us back to what matters most Begin or end each day with a short snippet of Scripture and a helpful devotional thought so that you can capture each moment rather than letting it slip away **Called to Be a People of the Gospel** Earl F. **The Appearances of the Risen Christ** Arthur X.
