came to understand that their problems were not simply personal they were generational and widely shared by millions of other baby boomer sons And so to write this powerful book which traces the kinetic effect of the war on the men who fought it their sons and their grandsons Mathews has uncovered nine other dramatic and telling father son tales of veterans in some ways missing in action and how internal war wounds shaped their lives as fathers These include a combat infantryman whose life was saved by the fabled Audie Murphy and a black member of the storied Tuskegee Airmen corps In a moving final chapter he and his father return together to Italy to revisit scenes from the war and attempt at long last to forge their own separate peace In a very real sense Our Fathers War tells the secret history of World War II and its echoes down the years and generations In the course of doing so it offers a portrait of evolving styles of American manhood that many many fathers and sons have been needing and awaiting

Writings of Gregory of Nyssa Gregory of Nyssa, Gregory of Nyssa was bishop of Nyssa from 372 to 376 and from 378 until his death He is venerated as a saint in Roman Catholicism Eastern Orthodoxy Oriental Orthodoxy Lutheranism and Anglicanism Gregory his brother Basil of Caesarea and Gregory of Nazianzus are collectively known as the Cappadocian Fathers Gregory lacked the administrative ability of his brother Basil or the contemporary influence of Gregory of Nazianzus but was an erudite theologian who made significant contributions to the doctrine of the Trinity and the Nicene creed Gregory's philosophical writings were influenced by Origen and he is generally considered to have believed in universal salvation Since the mid twentieth century there has been a significant increase in interest in Gregory's works from the academic community which has resulted in challenges to many traditional interpretations of his theology This volume contains his most essential writings **NKJV, Billy Graham Training Center Bible** Thomas Nelson,2014-06-03 The Billy Graham Training

Center Bible is a valuable resource that guides you to discover what the Bible says about anger forgiveness grief marriage peace salvation suffering and temptation more than 100 time tested answers to your toughest questions from over 50 years of the Billy Graham Evangelistic Association's ministry With an easy to use index each topic is covered in a series of helpful chained notes throughout the Bible text which clearly guide the reader to discover what the Bible says about his or her deepest needs **Mothers' Journal** ,1841 **Daughter of a Preacher Man** Anna Picard,2011-10-18 This reflection though brutally honest provides insight to the conflicts that face the children of ministers pastors religious clergy deacons and church leaders It challenges fellow Christians to nurture the lives of these children without punishing judgments This work provokes congregants and leaders to nurture preachers kids and provide heartfelt guidance and vigilant prayer It encourages prayer warriors to guard over the hearts of preachers kids The book leads the reader toward self examination and self correction The author makes a noteworthy disclaimer I do not have a license in counseling a degree in psychology or theology I am not an elder or deacon in any church nor do I hold office as a board member on any religious organization I am not a minister pastor or evangelist I am neither an acclaimed author nor an authority of any kind Forgive me if I have misquoted scripture or taken verses out of context However I hope the Bible verses I have quoted throughout this book

would not seem preachy but then again I am a preachers daughter I trust that these scriptures will grab at your hearts and soothe your soul wounds I hope they will provide a new perspective and they would be as you have never heard them or thought of them before The author writes from a unique perspective that of a preachers kid I am the voice of a group that is easily misunderstood and even shunned We are the group that should know better Just being born into the subculture of preachers kids we are automatically judged by all the righteous and the unrighteous alike We are expected to by default be good be upright make no mistakes be all things to all men all of the time We are to be mature in all judgments from the moment of birth and on and on it goes Few can comprehend our journey toward our Father on a road less traveled This journey will be enlightening and comforting to all who read it It will bring hope to those who are confused and lost The book although empathetic to all parties makes all accountable for their behaviors toward others and to the Heavenly Father It is with great love and sensitivity that the author leads the reader to finding relationship with Jesus Just for a moment the reader can walk in the shoes of preachers kids with understanding and empathy It brings much needed direction and guidance The author attempts to bridge the gap between all of you and preachers kids It also attempts to reconcile the disconnection between preachers kids and Jesus This work is raw and honest It is a reflection of a lost generation who need to know the true power of redemption and the priceless gift of grace and love
