My Wicked Wicked Ways Vintage Contemporaries:

My Wicked Wicked Ways Sandra Cisneros, 2015-04-28 In this beautiful collection of poems remarkable for their plainspoken radiance the bestselling author of *The House on Mango Street* and winner of the 2019 PEN Nabokov Award for Achievement in International Literature embraces her first passion verse With lines both comic and sad Sandra Cisneros deftly and dazzlingly explores the human experience For those familiar with Cisneros only from her acclaimed fiction *My Wicked Wicked Ways* presents her in an entirely new light And for readers everywhere here is a showcase of one of our most powerful writers at her lyrical best Here the young voice of Esperanza of *The House on Mango Street* merges with that of the grown woman poet *My Wicked Wicked Ways* is a kind of international graffiti where the poet bold and insistent puts her mark on those traveled places on the map and in the heart Cherr e Moraga Sandra Cisneros Raychel Haugrud

Reiff, 2013-08-01 Sandra Cisneros is a Mexican American novelist and poet whose works appeal to a broad spectrum of American readers When her first book was published in 1984 she broke new ground today Cisneros is a popular and admired writer around the world She is also a dedicated activist who works tirelessly for Mexican American causes Readers of Sandra Cisneros will learn how Cisneros went from being a poor underprivileged kid in the barrio to the internationally renowned writer she is today as well as get an in depth look at some of her most well known works **The Vintage Contemporaries**

A TODAY SHOW ReadWithJenna BOOK CLUB PICK NATIONAL BESTSELLER A coming of age classic about a young girl growing up in Chicago Acclaimed by critics beloved by readers of all ages taught in schools and universities alike and translated around the world from the winner of the 2025 Ivan Sandrof Lifetime Achievement Award from the National Book Critics Circle Cisneros draws on her rich Latino heritage and seduces with precise spare prose creating unforgettable characters we want to lift off the page She is not only a gifted writer but an absolutely essential one *The New York Times Book Review* *The House on Mango Street* is one of the most cherished novels of the last fifty years Readers from all walks of life have fallen for the voice of Esperanza Cordero growing up in Chicago and inventing for herself who and what she will become In English my name means hope she

says In Spanish it means too many letters It means sadness it means waiting Told in a series of vignettes sometimes heartbreaking sometimes joyous Cisneros s masterpiece is a classic story of childhood and self discovery and one of the greatest neighborhood novels of all time Like Sinclair Lewis s Main Street or Toni Morrison s Sula it makes a world through people and their voices and it does so in language that is poetic and direct This gorgeous coming of age novel is a celebration of the power of telling one s story and of being proud of where you re from

Contemporary Chicana Literature:
(Re)Writing the Maternal Script Cristina Herrera,2014-03-28 Despite the growing literary scholarship on Chicana writers few if any studies have exhaustively explored themes of motherhood maternity and mother daughter relationships in their novels When discussions of motherhood and mother daughter relationships do occur in literary scholarship they tend to mostly be a backdrop to a larger conversation on themes such as identity space and sexuality for example Mother daughter relationships have been ignored in much literary criticism but this book reveals that maternal relationships are crucial to the study of Chicana literature more precisely examining maternal relationships provides insight to Chicana writers rejection of intersecting power structures that otherwise silence Chicanas and women of color This book advances the field of Chicana literary scholarship through a discussion of Chicana writers efforts to re write the script of maternity outside of existing discourses that situate Chicana mothers as silent and passive and the subsequent mother daughter relationship as a source of tension and angst Chicana writers are actively engaged in the process of re writing motherhood that resists the image of the static disempowered Chicana mother on the other hand these same writers engage in broad representations of Chicana mother daughter relationships that are not merely a source of conflict but also a means in which both mothers and daughters may achieve subjectivity While some of the texts studied do present often conflicted relationships between mothers and their daughters the novels do not comfortably accept this script as the rule rather the writers included in this study are highly invested in re writing Chicana motherhood as a source of empowerment even as their works present strained maternal relationships Chicana writers have challenged the pervasiveness of the problematic virgin whore binary which has been the motif on which Chicana womanhood motherhood has been defined and they resist the construction of maternity on such narrow terms Many of the novels included in this study actively foreground a conscious resistance to the limiting binaries of motherhood symbolized in the virgin whore split The writers critically call for a rethinking of motherhood beyond this scope as a means to explore the empowering possibilities of maternal relationships This book is an important contribution to the fields of Chicana Latina and American literary scholarship

Chicano Renaissance David R. Maciel,Isidro D. Ortiz,María Herrera-Sobek,2022-08-23 Among the lasting legacies of the Chicano Movement is the cultural flowering that it inspired one that has steadily grown from the 1960s to the present It encompassed all of the arts and continues to earn acclaim both nationally and internationally Although this Chicano artistic renaissance received extensive scholarly attention in its initial phase the post Movimiento years after the late 1970s have been largely overlooked This book meets that need demonstrating

that despite the changes that have taken place in all areas of Chicana o arts a commitment to community revitalization continues to underlie artistic expression This collection examines changes across a broad range of cultural forms art literature music cinema and television radio and theater with an emphasis on the last two decades Original articles by both established and emerging scholars review such subjects as the growth of Tejano music and the rise of Selena how films and television have affected the Chicana o experience the evolution of Chicana o art over the last twenty years and postmodern literary trends In all of the essays the contributors emphasize that contrary to the popular notion that Chicanas os have succumbed to a victim mentality they continue to actively struggle to shape the conditions of their lives and to influence the direction of American society through their arts and social struggle Despite decades usually associated with self interest in the larger society the spirit of commitment and empowerment has continued to infuse Chicana o cultural expression and points toward a vibrant future

Contemporary American Women Fiction Writers Laurie Champion, Rhonda Austin, 2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction particularly in the decades since World War II Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self expression This reference highlights American women writers who continue to build upon the formerly male dominated canon Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II Each entry is written by an expert contributor and includes L DBLA brief biography L DBLA discussion of major works and themes DBLA survey of the writer s critical reception L DBLA bibliography of primary and secondary sources

Reading U.S. Latina Writers A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the

works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature Teaching Culturally Sustaining and Inclusive Young Adult Literature R.

Joseph Rodríguez,2018-07-11 In this book Rodr guez uses theories of critical literacy and culturally responsive teaching to argue that our schools and our culture need sustaining and inclusive young adult YA literature s to meet the needs of culturally and linguistically diverse readers and all students This book provides an outline for the study of literature through cultural and literary criticism via essays that analyze selected YA literature drama fiction nonfiction and poetry in four areas scribal identities and the self affirmation of adolescents gender and sexualities schooling and education of young adult characters and teachers roles and influences in characters coming of age Applying critical literacy theories and a youth studies lens this book shines a light on the need for culturally sustaining and inclusive pedagogies to read adolescent worlds Complementing these essays are critical conversations with seven key contemporary YA literature writers adding biographical perspectives to further expand the critical scholarship and merits of YA literature Harvard Review ,1993

One Island, Many Voices Eduardo R. del Rio,2022-04-12 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo Prez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer s history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work What del Rio has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not CONTENTS Preface Acknowledgments Introduction Nilo Cruz Roberto Fern

Ends of Assimilation John Alba Cutler, 2015

Ends of Assimilation examines how Chicano literature imagines the conditions and costs of cultural change arguing that its thematic preoccupation with assimilation illuminates the function of literature John Alba Cutler shows how mid century sociologists advanced a model of assimilation that ignored the interlinking of race gender and sexuality and characterized American culture as homogeneous stable and exceptional He demonstrates how Chicano literary works from the postwar period to the present understand culture as dynamic and self consciously promote literature as a medium for influencing the direction of cultural change With original analyses of works by canonical and noncanonical writers from Am rico Paredes Sandra Cisneros and Jimmy Santiago Baca to Estela Portillo Trambley Alfredo V a and Patricia Santana *Ends of Assimilation* demands that we reevaluate assimilation literature and the very language we use to talk about culture
