Thank you for letting me know. Miss and love you very much. Have a great and happy weekend.

As pathetic as war is, many of your ancestors were there and followed protocol. Regardless of the reasons of the puppet masters, they were there and were heavily impacted. This impact was felt and molded us, their offspring. Much of our character and decisions were molded from this. I'm so proud that you chose to be under my severely flawed wing. I know that when our time here is complete, we will be together in a timeless state of pure love. The door is always open

You are and always have been the most beautiful soul I've known.
