**THE LAWS OF CRICKET - SIMPLIFIED -2017 Code (3rd Edn 2022)** M. R. Singh,2022-04-01 Now incorporates the amendment made by the MCC on 19 01 2023 Some content is revised as of 24 05 2023 basically highlighting some aspects IMPORTANT Added a table on page A70 ABOUT THE BOOK After the encouraging success of the first book based on the 2017 Code 2nd edn 2019 the author presents this book which incorporates the changes made by the MCC in the 3rd edn 2022 For ease of understanding these changes are marked in red throughout the book accompanied by suitable notes explanations The original Laws of Cricket are generally seen as presenting quite a challenge for any reader what with the legalese and the long complex sentences and the use of several cross references The Laws of Cricket Simplified is written for the aspiring young umpire the schoolgirl boy the casual cricketer the club cricketer the cricket commentator even the armchair expert whose interest in the game might arouse within him her a desire to pick up a copy of the official Laws of Cricket and who might be somewhat flummoxed by the intricacies of the Laws This is an effort to help the lay reader understand the Law by simplifying the language used and breaking up long sentences The book is embellished with illustrations charts tables in order to break up the more complex Laws for easier understanding The simplification of the Laws is somewhat limited by my desire to keep its basic structure the same to enable easier look up in the original Laws in case it is desired It is hoped that the serious learner might also find this book useful especially the accompanying charts tables

**The Laws of Cricket - Simplified --2017 Code (2nd Edn 2019)** M. R. Singh,2021-01-01 This version of the Laws of Cricket Simplified is based on the 2nd edn 2019 of the 2017 Code of the MCC Laws of Cricket A new version written by this author based on the 3rd edn 2022 is also available on Google Playbook Though the MCC has issued a 3rd edn 2022 which is to come into effect worldwide on 1st Oct 2022 the BCCI the controlling body for Cricket in India has decided to continue using the 2017 Code 2nd edn 2019 during the cricket season 2022 23 You will find this book useful if your home Board has not yet migrated to the new version 3rd edn 2022 of the MCC Laws I am making available this version as an eBook since umpires the club cricketer the budding

umpire shy away from the study of the Laws of Cricket should he happen to pick up a Law book I shudder to think how those whose first or second language is not English cope with this With a view to making the Laws of Cricket easily understandable for just these persons who are at the grassroots of the game I set about writing this book This book is based on the 2017 Code 2nd edition 2019 of the Laws of Cricket To help in understanding some of the more complex of the Laws which at places have a statement of law exceptions to it and exceptions to exceptions and with cross references to cross references I have included a few charts tables to help break down some of the more complex Laws into smaller and more easily digestible morsels Since I have always found it useful to do so I have highlighted by underlining and making bold certain key phrases and keywords in the Laws which help the learner to understand it better Also certain alerts are provided in the margins to draw the attention of the reader to critical rules My efforts are to make the Laws of Cricket more user friendly This book does not seek to replace the official Laws of Cricket the copyright for which is owned by the governing body for the Laws of Cricket the Marylebone Cricket Club but to help spread it wider and to penetrate to the grassroots For any dispute or further study a reference should be made to the original Laws of Cricket Though this has made the rephrasing or paraphrasing of the Laws infinitely more difficult I have retained the original numbering of clauses sub clauses so that the reader can go to the relevant clause in the original Laws of Cricket as and when needed I recommend that the student reader have a copy of the Blue book ready when reading my book I hope the students of the game will find this book useful as also will anyone preparing for an umpiring test at any level It will be my pleasure to answer any query on the Laws of Cricket sent to [mrsCricketLawsQuery@gmail.com](mailto:mrsCricketLawsQuery@gmail.com) M R Singh
