A Father's Grief Brad Benton,2018-09-12 As a healthcare professional I am with families at some of the lowest moments of their lives During my time with the Benton family I witnessed an outpouring of love that was like no other While caring for Lindsay our team was touched and forever changed Mr Bentons blog has given me a chance to glimpse into his heart and know that I now have a different perspective from which to base the care I offer to patients and their families in the Intensive Care Unit Neta A Greenlief RN BSN NE BC After caring for Lindsay and her family I found my passion in nursing Researching and learning ways to allow for medical teams to better connect with their patients and families has become my calling as a nurse I want all patients and their families to feel that their medical team is not only caring for them but also standing beside them through this journey Lindsay has inspired me to find ways to see this goal through Elizabeth Mills RN BSN CCRN Mr Benton Your blogs gave great insight and truly show how our love for our children endure forever Through you I saw a fathers love grow to the point it poured over into the hearts of others who never even met Ms Lindsay What a tremendous testimony Lindsay left for us all Rodney Pilson Family Care Coordinator Carolina Donor Services I was one of the nurses privileged to care for Lindsay The most profound impact for me was Lindsays entire family

The family was the best I have seen in my career and that strength lasted through the entire week of Lindsays stay in my unit. They impressed me with their unity, love, and support for one another. That love was like nothing I had ever seen in such a dark time. They drew me into their family and kept me there. This love for me was a guide in reaching out to my own family that had kept themselves at a distance from me, and for this I owe a debt of gratitude to Lindsays family. Lindsay was a loved, blessed young lady to have the parents, step parents, brother, and extended family that she had. Deani Gaskins RN. I'm not very good at putting my thoughts in words, which is what I so appreciate about your blog; your words are healing, touches the deepest part of my heart. The learning to live the rest of our lives without our children with us here on earth is more than I thought I would be able to bear, but here I am almost 14 years later, living, remembering, loving my daughter that is living and finding joy amongst the tears, remembering my sweet boy, Diane English Hutchens.
