My Journey In His Story:

My Journey. My Story. Wendy Blaskovic, 2024-03-25 In today's world we are constantly juggling expectations and trying to manage the many pressures we feel around us. We all have issues, struggles, and habits that we feel guilt or shame about. We all have beliefs and expectations of ourselves and life that hold us back. Society is also always pressuring us to look a certain way, live a certain way, and project happiness and joy through it all. Essentially, we are surrounded by expectation which can make just being alive a complex, exhausting, and daunting task. For many of us, we are following a path that doesn't quite fit right. What if you could live every day feeling like you are exactly where you should be? What does being authentic mean? Look and feel like to you? What would it take for you to unravel yourself and discover who you really are? It is this search for authentic living that so many of us seek but have trouble achieving. Wendy Blaskovic struggled with the same thing. She felt a separation between who she truly was and what she was being doing on the outside. That disconnection manifested in many challenges along the way: an eating disorder, the abuse of drugs and alcohol, self-imposed isolation, overworking. The feeling of living the wrong life was what pushed her to discover who she truly was. As a life-long learner and educator herself, Wendy only truly unravelled from an unsatisfying life while she was writing her master's thesis on the connection between living, being, and teaching authentically. *My Journey My Story* is a rather unique approach to self-discovery. In this book, she shares her thesis, her journey to healing, so that others may find the kernel within to nurture their own true selves. Though self-discovery is a solitary process, this book helps to reassure you that you are not alone. *My Journey As I Remember* Darrell D. Stark, 2008-04-18 If you take a good look at the cover of the book, you will see a picture of a little boy and his sister taken in the early 1920s in the state of Oklahoma. That picture represents the beginning of his journey. Darrell Stark's story begins with the first seventeen years of his life, including the hardships that he endured along with the deep sense of perseverance and overwhelming capacity for love that he learned along the way. The second part of his journey begins when he enlisted in the United States Army and requested duty in the Philippine Islands. He was in the Philippines when World War II began. He fought in three of the four major battles in Bataan before it was surrendered by General King. At that time, Darrell Stark was captured and became a Prisoner of War of the Japanese for three and a half years. The third part of his journey begins with his liberation in September of 1945. At that time, he returned to the United States to his loving and loved family and struggled to come to terms with a multitude of physical and psychological problems. The fourth part of his journey begins when he met his wife and moved to the state of Connecticut where he was a recipient of the kindness and confidence of many wonderful people that helped him to get a start in life despite his war experience. As the third picture on the cover will indicate, he moved on to acquire a position of responsibility and trust and to maintain a successful and rewarding life. *My Journey* Ramsis F. Ghaly MD FACS, 2020-03-16 My journey is documented in this two-volume book, numbers 14th and 15th of my series *Christianity and the Human Brain*. BeINenerGy **My Journey** Swami Vishwakanjalochanananda,2019-12-10 This book is not just another autobiography This is a life journey of an ordinary man Every person is experiencing difficulties in their lives but how much we are learning from those difficulties and obstacles that we find along the way is what the Author is trying to convey in these pages The idea of the book is to select some episodes which moulded and shaped the Author to find the meaning in life and walk the path towards the inner freedom as an inspiration and guidance for all who have been awakened to the idea that there is something more than meets the eye This is a spiritual book in a sense that we are not just a bag of flash and bones and that every person has a spiritual life as well There is an intelligence that guides and regulates our life For a lack of better term we call it Spirit or God And the aim is to connect to that Being or Intelligence and to achieve the full potential that we are all entitled to as human beings We have to live our life so that we can first and foremost realise ourselves as human beings and from there we can contemplate our divine origin and eventually realise that we are divine beings temporarily clothed in human attire with the purpose of realising our soul's position as the eternal servant in our loving relationship with the Divine

My Journey Trusting the Lord Pastor Michael Staab,2024-04-18 This book is about a young man who accepted Jesus Christ as his Lord and Savior He was called to be a Christian minister when he was married with one child and one on the way while running a business with his brothers His calling was to lead many through the trials and tribulations of life and to deal with

the impossible situations Not knowing at the time God had a plan to take him through his trials and tribulations along with the impossible situations to prepare him so he could help others This is a story about all those trials and tribulations that God led and got him through by trusting God through His spoken and written word that we find in the Bible Where man was unable to solve God was able to solve by trusting in Him It s also a story about the crosses in our lives that we are asked to bear and how carrying them brings us not only love and trust in God but also selflessness which is where truly abundant life is My trials tribulations impossible situations and tests all led me to love and trust in the Lord Jesus Christ I wanted to share this with the world to help others who may be going through trials and difficult situations so that they too may find what I found a trust and a love from God that is made flesh deep in our hearts where we live and tick This is a trust and a love no one can take away I would not change a thing in my life looking back because it brought me to a place in Christ where I know I can trust Him No matter what is thrown at us in this life I know because I know because I know He will get us through He loves us and I know we can trust Him and His Word His Word is truth and life and nothing can separate us from His love Romans 8 38 39 Not height nor depth principalities nor powers death persecution sickness rejection financial distress or change Much of what you will be reading about in this book is that the crosses in our lives lead us to abundant life and so many blessings if we are willing to pick up our crosses and follow His lead I hope you enjoy this read about my life and find it helpful It s all true to the glory of God

My Journey Down the Reincarnation Highway Frank Mares,2012-11-17 My Journey down the Reincarnation Highway is the first book of the author s four book spiritual memoir series In this personal account Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives More people than you would believe have prior life memories This book tells how the author acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family As part of his souls continuing quest for redemption Mares hopes to salvage the dark time in his soul s past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again
