determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions *Mystics of the Christian Tradition* is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were

Spiritual Diary Sergius Bulgakov, 2022-06-15 Who was Fr Sergius Bulgakov the pastor who stands behind the epochal theology of Eastern Orthodox sophiology What better place to look than his own *Spiritual Diary* which opens to us the mind and heart of this prolific and original theologian of the twentieth century This volume the first of his diaries to be published in English depicts in illuminating detail Bulgakov's daily life as a priest ministering in exile the exultations and desolations of his personal prayer life and his confoundment and pain towards the fate of his homeland ruled by the aggressively atheist Soviet state In these personal reflections we discover the pastoral matrix from which arose such distinctive features of Bulgakov's mature theology as his theology of Sophia the Divine Wisdom as God's mystical presence in creation Beyond this however at its core the *Diary* is a work of spiritual edification and meditation meant to draw the reader into contemplation Together with biographical and theological introductions provided by the translators this volume will serve scholars of Bulgakov and Orthodox theology as well as Christians of all traditions who wish to unite their theology with prayer

Ecstasy and Intimacy Edith M. Humphrey, 2005-12-13 Foreword by Eugene

H Peterson Countering the generic spirituality so popular today Edith Humphrey presents an authentic Christian spirituality that draws on Scripture and the profound riches of the Christian tradition Orthodox Catholic and Protestant Humphrey shows how Christian spirituality is rooted in the Trinity in the ecstasy going out of oneself and intimacy profound closeness with another marking the relations between Father Son and Holy Spirit The book embodies a banquet of excerpts from the greatest spiritual writers in history such luminaries as St Augustine St John Chrysostom Julian of Norwich St Teresa of Avila the Wesley brothers Thomas Merton and Alexander Schmemmann Humphrey's elegant prose laced with stories and images from her own life beautifully uncovers the ways in which God's trinitarian life informs all human communion Each chapter ends with questions for further reflection and discussion

'Now we are all Ailing of Theology' Archpriest Pavel Khondzinsky, **Giver of Life** Fr. John W. Oliver, 2011-01-01 Presents the Orthodox perspective on who the Holy Spirit is where the mystery of God comes alive Delving deep and subtly into Orthodox tradition and theology The Giver of Life articulates the identity of the Holy Spirit as the third Person of the Trinity as well as the role of the Holy Spirit in the salvation of the world Written with a poetic sensibility Fr Oliver begins with Pentecost an event uniquely celebrated in Orthodoxy as a time when greenery of all kinds is brought into churches The splash of green foliage calls to mind not just life but a special kind of life It is the life that transcends biological existence and flows from the very Godhead Itself it is life that is a state of being immortal everlasting changeless Ferns and flowers fade and die but souls filled with this life from above flourish forever Reflecting on the relationship of the Holy Spirit to the Church to the world and to the human person Giver of Life looks to the impressive biblical and liturgical tradition of Orthodox Christianity This is a book weighty in content but accessible in tone not an academic study of the mind but a lived experience of the heart

The Compassion of the Father Boris Bobrinskoy, 2003 In this work Boris Bobrinskoy shows how by spiritual union to the life of Christ we can be clothed with the Holy Spirit and filled with the infinite mercy of the Father who far from pleasing himself in a blessed transcendence suffers with humanity This way of purification triumphs over all the deadly forces of division darkness and hate that dwell in the heart a universe vaster than any other universe The invocation of the Name the asceticism of the body and the baptism of the intellect constitute this long and difficult way of conversion and a cure of unification with God others and even oneself From his long experience as a priest and a theologian the author reveals the Trinitarian love guiding the living tradition of the Church a river of revelation and faith that has its foundation in the Scriptures and that transmits itself from heart to heart as from a spiritual father to his children He explores the links between hesychasm and the Eucharist solitary prayer and intercession for the world the spiritual life and theological reflection and fidelity to tradition and creative liberty By listening to the Word of the Spirit Bobrinskoy always returns to that same silence of the Father whose mercy is the eternal source of authentic love and true unity
