Wandjuk Marika Wandjuk Marika, Jennifer Isaacs, 1995 No Marketing Blurb Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy *For Better and For Worst!* Robert E., 2019-07-22 I _____ take thee _____ to be my lawfully wedded wife to have and to hold from this day forward for better or for worse Dear Reader This book is a demonstration of faith love tests and trust in God through it all God's mercy grace and love is evident throughout this book and the faith that both Robert and Jerilyn have demonstrated throughout their journey is a testament to others that if this married couple can go through all they've been through and still trust and love God then we are able to play the hand that has been dealt to us Their transparency in sharing their story is nothing short of courageous and bold As a result of reading this book many will be blessed and some will be set free I pray that this book will bless your soul as it has blessed mine and will give you the faith to continue fighting the good fight Remember what it says in the Word There hath no temptation taken you but such as is common to man but God is faithful who will not suffer you to be tempted above that ye are able but will with the temptation also make a way to escape that ye may be able to bear it 1 Corinthians 10:13 Dr Mia Y Merritt
