My Mother Is Crazier Than Your Mother:

My Mother Is Crazier Than Your Mother Cameron Castle, 2014-04-03 In *My Mother is Crazier Than Your Mother* Cameron Castle paints an endearing and hilarious picture of what it was like growing up with a crazy mother not clinically crazy just spontaneously unpredictably outrageously and lovingly crazy She s I Love Lucy on steroids and June Cleaver s worst nightmare but always with the best of intentions She puts the fun in dysfunctional and zany is more than a four letter word You will fall in love with Cameron s mom as she leads her son and the reader on a precious precocious Pied Piper journey through life with laughter and love David Sedaris and Bill Bryson meet Dorothy Castle *My Mother Is Crazier Than Your Mother* ,2015 *Christina Dodd: The Chosen One Novels* Christina Dodd, 2012-07-03 When the world was young twins were born One brought light to a dark world The other darkness and danger They gathered others around them men and women destined to use their powerful gifts for good or evil Today their descendants walk the earth as the Chosen and the ultimate battle has begun in the first four novels of bestselling author Christina Dodd s popular paranormal series *Storm of Vision Storm of Shadows Chains of Ice Chains of Fire* *Hot Target* Suzanne Brockmann, 2005-11-29 Bestselling author Suzanne Brockmann knows exactly what makes hearts race and pulses pound peril and passion No one succeeds more brilliantly at blending these exhilarating elements in breathtaking novels of men and women forced to grapple with the deepest emotions and the highest risks And there s no better proof than *Hot Target* Like most men of action Navy SEAL Chief Cosmo Richter never learned how to take a vacation So when he finds himself facing a month s leave he offers his services to Troubleshooters Incorporated Founded by a former SEAL the private sector security firm is a major player in the ongoing war against terrorism known for carrying out covert missions too volatile for official U S military action But the first case Richter takes on is anything but under the radar High profile maverick movie producer Jane Mercedes Chadwick hasn t quite completed her newest film but she s already courting controversy The World War II epic frankly portrays the homosexuality of a real life hero and the storm of advance media buzz surrounding it has drawn the fury of extremist groups But despite a relentless campaign of angry E mails phone calls and smear tactics Chadwick won t be pressured into abandoning the project Then the harassment turns to death threats While the FBI appears on the scene nervous Hollywood associates call in Troubleshooters and now Chadwick has an army of round the clock bodyguards whether she likes it or not And she definitely doesn t But her stubbornness doesn t make FBI agent Jules Cassidy s job any easier The fiercely independent filmmaker presents yet another emotional obstacle that Cassidy doesn t need he s already in the midst of a personal tug of war with his ex lover while fighting a growing attraction to Chadwick s brother Determined to succeed and survive on her own terms Chadwick will face off with enemies and allies alike But she doesn t count on the bond she forms with the quiet capable Cosmo Richter Yet even as their feelings bring them closer the noose of deadly terror all around them draws tighter And when all hell erupts desire and desperate choices will collide on a killing ground that may trap them both in the crossfire

Storm of Visions Christina Dodd, 2009-08-04 First in a new back to back series from the New York Times bestselling author Hailed as a star in any genre New York Times bestselling author J R Ward Christina Dodd delivers an exciting new paranormal romance that introduces The Seven a secret society created to combat evil in all its deadly forms **Burn, Baby, Burn: a Magical Romantic Comedy (with a body count)** R.J. Blain, 2019-05-14 Bailey and Quinn are back Bailey Ember Gardener Quinn should've read the manual on caring for an incubus before marrying hers The marriage license hadn't mentioned anything about their sexy insatiable ways If she doesn't get a single night of undisturbed rest soon she'll snap or go on a napalm bender Either would work Recruiting Tiffany Perchette Perkins to be her partner in crime isn't the best idea but nothing says fun quite like a roadtrip and Perchette the Misdemeanor Collecting Queen could teach the devil a thing or two about having a good time Add in a string of rabies cases more puppies than she can count or readily adopt a job promotion and her very own incubus in disguise on the hunt for her and Bailey's in for one hell of a ride Warning this novel contains excessive humor a unicorn on a napalm bender Quinn on the hunt and more shenanigans than you can shake a stick at Proceed with caution Burn Baby Burn is a sequel to Playing with Fire a Magical Romantic Comedy with a body count
