**What's My Name?** Grant Farred,1997      **My name is LIFE** CAPTAIN ANDY Andrzej Jankowski,2021 A great many things come into focus from the deck of an oceangoing yacht since oceans are not restricted by earthly cares and regulations Maybe that is why he experiences the wonders of this world so intensely It all starts with a dream It begins with one deep dream that most of us have at least once in our lives And yet most of us never pursue our dreams as these illusions are not real We must keep our feet firmly on the ground this is what our relatives teachers and so called common sense and the and the world tell us all the time They even convince us with a pair of hobnailed soldiers shoes And so instead of illusory dreams we choose achievable goals as they are more realistic And they are so real that we wake up one day and our dreams are long gone Only sometimes we recall that we used to dream And then we wonder for a moment if it is not too late to make out deep dream come true The answer to this question is much easier after reading this book      **The Fair Dinkum Jew** Allan Russell Juriansz,2012-05-07 The history of Israel goes back 4 000 years and conflict has dogged much of its past But todays headlines continue to highlight the Israeli Palestinian struggle and Israels quest for peace Even so another struggle is quietly rampant within world Jewry the fight to secure Israels future Offering a unique perspective on this issue The Fair Dinkum Jew serves as an informative primer to show how the Abrahamic Covenant is vital to Israels survival Author Allan Russell Juriansz discusses the three great pillars of this Covenant Land Torah and Messiah and shows how Israels only hope for security lies within these terms Juriansz breaks down years of Jewish history to prove the relevance of Judaism to Jewish existence and future in terms of the Abrahamic Covenant He then discusses different aspects of the Arab infiltration and occupation of Palestine and examines the current conflict between Jews and Arab Palestinians in terms of the post 1967 borders In addition he offers potential solutions for peace that could possibly lead to stability within the Middle East The Fair Dinkum Jew issues a stirring call for Israels need to believe in and defend its political national and religious integrity

*The Earth Knows My Name* Patricia Klindienst,2006 Description de l'auteur disponible l'adresse      *'My Name Is Not Natasha'* John Davies,2025-10-01 This book challenges every common presumption that exists about the trafficking of women for the sex trade It is a detailed account of an entire population of trafficked Albanian women whose varied experiences including selling sex on the streets of France clearly demonstrate how much the present discourse about trafficked women is misplaced and inadequate The heterogeneity of the women involved and their relationships with various men is clearly presented as is the way women actively created a panoptical surveillance of themselves as a means of self policing There is no artificial divide between women who were deceived and abused and those who choose sex work in fact the book clearly shows how peripheral involvement in sex work was to the real agenda of the women involved Most of the women described in this book were not making economic decisions to escape desperate poverty nor were they the uneducated naive entrapped into sexual slavery The women's success in transiting trafficking to achieve their own goals without the assistance of any
